Examination requested:

Document - Fingerprint - Radio Engineering

Remarks:

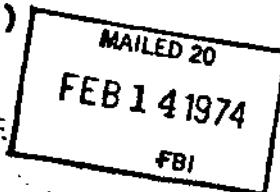

The attached report supplements and confirms Butel to San Francisco 2-13-74.

As the Laboratory has previously noted with regard to other questioned typewriting submitted in this case, the questioned typewriting on Q32 through Q39 contains few individual identifying characteristics, and therefore, definite identifications with known typewriter or typewriters may not be possible. ca

The submitted evidence, is being returned separately with results of the latent fingerprint examination. You will also be advised separately concerning results of the the Radio Engineering examination of Q40.

Result of examination:

It was determined that the typewriting on Q32 through Q39 is the same style as the typewriting on specimens Q20 through Q23, previously submitted. Although some typewriting characteristics in common were observed in comparing the typewriting on Q32 through Q39 with the typewriting on Q20 through Q23, a definite conclusion was not reached whether these items were prepared by the same typewriter, due to the lack of a sufficient number of individual identifying characteristics.

Q32 through Q39 contain no watermarks, indented writing of significance or other characteristics which might aid in determining their source.

SUBJECT: HEARNAP

Enclosed herewith for the FBI Laboratory are the following two items, received at the San Francisco Office of the FBI on 2/12/74, from [REDACTED] and [REDACTED]

They were given these items by [REDACTED] Berkeley, California, on 2/12/74. The two items had arrived in the mail, on that date, to Radio Station KPFA, and after reading and playing the two items over the air, they were turned over to [REDACTED] and [REDACTED]. These two items are described as follows:

Item 1: One Zenith compact cassette, C-60, 30 minute each side, low-noise tape.

Item 2: An alleged original typewritten letter consisting of 7 pages, numbered 1 through 7, and an unnumbered page, from the Symbionese Liberation Army. The pages of this letter were received from [REDACTED] in the following order: 5, 6, 7, 4, 3, 2, 1 and the unnumbered page.

It is not known how many individuals at Radio Station KPFA had handled the items, however, it is known that [REDACTED] and [REDACTED] had handled the cassette.

[REDACTED] had handled the letter.

In addition to latent fingerprint examinations of above cassette tape, the Laboratory is requested to conduct thorough examination of the contents of the cassette tape for possible identification of voice, background noise, and any other logical examination.

Copies are to be made of this tape (Item 1) and forwarded to the San Francisco Office.

The original tape should be returned to the San Francisco Office upon completion of appropriate examination in order that it can be used for evidentiary purposes.

In addition to latent fingerprint examination the above letter (Item 2) should be afforded examination for typewriter and paper watermark identification. The Laboratory is also requested to conduct any other appropriate logical examination regarding this letter. This letter should also be compared with other letters previously submitted in this matter.

This letter should be returned to the San Francisco Office upon completion of examination for evidentiary purposes.

The results of the above examination should be furnished to the San Francisco Office.

On 2/15/74, at 12:53 a.m., an individual who identified himself as [REDACTED] United Press International (UPI) - Independent News of London (further described by [REDACTED] as television end of UPI), New York City, telephonically contacted FBIHQ and spoke with Night Supervisor [REDACTED]

[REDACTED] asked if the FBI was aware that San Francisco television news had stated the FBI had identified at least one subject in captioned matter.

[REDACTED] was advised that there was presently no such information available to Night Supervisor [REDACTED] and, in fact, radio newscasts monitored on Washington, D.C., radio stations in the last few minutes were quoting FBI Director Kelley to the effect that no one had yet been identified. This seemed to satisfy [REDACTED] who advised he would probably continue to further check with his west coast sources.

Dear Sir:

This letter is addressed to you as
a consequence of the recent ~~shear~~
kidnapping in California, and its purpose
is to suggest enactment of legislation
to make all kidnapping for ransom
a thing of the past.

The practiced all instances, a
kidnap is perpetrated for the purpose of
extorting money. In a lesser number
of cases, the kidnap is political
to exert pressure to free some of
more prisoners held by society in
exchange for a knowledge

an immediate pay ransom & liberate
a kidnapped victim, the greater the
inducement to other well minded men
to follow the pattern. Each time a
government pays ransom for a plane,
and its possession, the greater the
encouragement for others to attempt it.

This country could enact legislation
making it a mandatory prison sentence
of substantial duration plus a large
fine for any individual to pay a
ransom for any kidnapped person.
This legislation could extend to Canada,
the office of Canada and the Board
of Directors of Canada providing sums
of money for the release of individuals,
or planes, ~~for~~ groups of hostages.

When this thesis is advanced in
personal conversation, the response
is invariably the same: "How

daughter kidnapped and

answer is quite simple. If it was
subject to a \$100,000 fine and 5
years in prison for payment of ransom,
and if the president and all officers
of Bigg National Bank were subject to
\$100,000 fines and 5 years in prison,
my daughter would never have been
exposed to kidnapping, nor would the

the thousand other kidnap victims.

When all possibility of punishment

continuing danger to literally thousands
of people. It is our weakness

crime head on that exposes all of
us to continuing risk.

Anyone perpetrating a kidnapping
should impose upon himself and
automatic death penalty. There is
no such thing as negotiation. The
kidnapper of an individual or a
plane dies. I think now there is to
it.

How many people, no matter
how rich, are willing to kidnap
an individual or a plane if he
knows that no possibility of gain
exists but that his death is a

Dear [REDACTED]

I am grateful for your letter of February 9th concerning enactment of legislation on the subject of kidnaping.

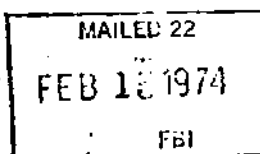

As a father, I certainly understand the concern which prompted you to write regarding a matter which brings anxiety and grief into the lives of families victimized by this vicious crime. Any suggestion which offers a possible solution to this problem deserves careful consideration.

I regret, however, that I am unable to comment on your proposal since, within the Department of Justice, it is the function of the Attorney General to determine the desirability of legislation. Accordingly, I am sending a copy of your letter, and my reply, to the Assistant Attorney General, Criminal Division, for his review and any recommendations he may wish to make to the Attorney General.

RE SC TELCALLS TO BUREAU AND SAN FRANCISCO FEBRUARY 14-15, 1974, REGARDING VOICE ANALYSIS BY [REDACTED] OF TAPE FORWARDED BY UNSUBS CONTAINING VOICE OF VICTIM.

ON AFTERNOON OF FEBRUARY 14, 1974, [REDACTED]

SACRAMENTO, CALIFORNIA, [REDACTED]

[REDACTED] CONTACTED SACRAMENTO OFFICE AND WAS INTERVIEWED BY SAC. IT IS NOTED THAT SIMULTANEOUSLY WITH ARRIVAL OF [REDACTED] SEVERAL LOCAL RADIO AND TV STATIONS APPEARED AT OFFICE IN EFFORT TO INTERVIEW [REDACTED] WHICH THEY DID BOTH BEFORE AND AFTER INTERVIEW WITH [REDACTED] FBI OFFICE.

[REDACTED] NOTED THAT HIS FIRM, WHICH HAS OFFICES IN SACRAMENTO AND LOS ANGELES, WAS CONTACTED BY CHANNEL FOUR

WHICH IS SAN FRANCISCO TV STATION ON FEBRUARY 12, 1974, WITH THE REQUEST HE DO A VOICE ANALYSIS OF VICTIM-S TAPED MESSAGE AS A POSSIBLE NEWS ITEM. A COPY OF THE TAPE WAS DELIVERED BY CHANNEL FOUR TO [REDACTED] ON FEBRUARY 13, AND HE DID HIS ANALYSIS THAT DAY AND DELIVERED HIS RESULTS TO CHANNEL FOUR ON THE EVENING OF FEBRUARY 13, 1974, INDICATING THAT HE INTENDED TO ALSO FURNISH THE RESULT OF HIS ANALYSIS TO THE LOCAL FBI OFFICE. THIS APPARENTLY PROMPTED THE RELEASE BY CHANNEL FOUR ON THE FOLLOWING DAY WHICH PRECIPITATED OTHER NEWS OUTLETS TO APPEAR AT SACRAMENTO FBI OFFICE.

[REDACTED] CLAIMS TO HAVE WORKED WITH VARIOUS LAW ENFORCEMENT OFFICES IN THE PAST AND PLEDGES COOPERATION WITH THE BUREAU, CLAIMING THAT HE WILL DO ANY VOICE ANALYSES THE BUREAU WISHES HIM TO DO ON A CONFIDENTIAL BASIS. HE WAS INFORMED THAT THE FBI WAS ACCEPTING VOLUNTEER INFORMATION FROM MANY SOURCES; HOWEVER, HE SHOULD NOT IMPLY OR INFER THAT HE IS WORKING FOR OR WITH THE BUREAU ON INSTANT MATTER. HE SAID HE NEVER INTENDED TO IMPLY THAT THIS WAS SO AND THAT, WHEN HE FURNISHED HIS RESULTS TO CHANNEL FOUR IN SAN FRANCISCO, HE GAVE THEM A QUOTE GUARDED UNQUOTE RELEASE SO AS NOT TO JEOPARDIZE THE SAFETY OF VICTIM.

END PAGE TWO

SC 7-203

HE INDICATED HE USES A DEKTOR MODEL PSE DASH ONE INSTRUMENT WHICH MEASURES THE ANATOMIC NERVOUS SYSTEM, THE SYMPATHETIC AND PARA-SYMPATHETIC NERVOUS SYSTEMS, AND THE MICRO-MUSCLE TREMORS, ALL OF WHICH COULD BE LUMPED TOGETHER AS PHYSIOLOGICAL STRESS EVALUATIONS PAREN PSE PAREN, COMPARED TO THE REGULAR LIE DETECTOR SYSTEM, WHICH UTILIZES THE CARDIO-VASCULAR AND GALVONIC SKIN MEASUREMENTS.

[REDACTED] INDICATED THAT HIS EVALUATION REVEALS A NUMBER OF INCONSISTENCIES IN PATRICIA HEARST'S TESTIMONY AS COMPARED TO THE STRESS EVALUATION OF HER VOICE. HE POINTED OUT THAT THIS ANALYSIS IS NOT UNDER A CONTROLLED SITUATION; HOWEVER, THE LONGER AN INDIVIDUAL TALKS, THE HIGHER PERCENTAGE OF SUCCESS CAN BE ACHIEVED BY THE ANALYST IN EVALUATING THE STRESS FACTOR IN THE PERSON'S VOICE. FOR EXAMPLE, [REDACTED] POINTED OUT THE HEARST VICTIM REGISTERED ALMOST ONE HUNDRED PER CENT STRESS IN HER OPENING REMARKS WHEN SHE SAID QUOTE I'M OKAY UNQUOTE. SIMILARLY, WHEN SHE SAID THAT SHE IS NOT QUOTE UNNECESSARILY FRIGHTENED UNQUOTE, IT INDICATED THAT THE GROUP HAD NOTHING TO DO WITH THE QUOTE AUGUST SEVEN MOVEMENT UNQUOTE OR THE QUOTE OAKLAND RAID UNQUOTE, IT INDICATED SHE WAS

SC 7-203

CONVINCED THEY DID HAVE SOMETHING TO DO WITH THESE MATTERS. IN SUMMARY, [REDACTED] STATED HE FEELS SHE HAS BEEN PHYSICALLY ABUSED, IS CONVINCED THAT SHE WILL NOT BE RELEASED UNTIL THIS GROUP AGREES TO LET HER GO, THAT SOMEONE ELSE WAS STARTING AND STOPPING THE TAPE, AND THAT SHE WAS BEING FORCED TO MAKE THIS TAPE.

WITH REGARD TO THE TWO MALE VOICES APPEARING ON THE TAPE, HE FELT THAT THE PERSON WHO IDENTIFIED HIMSELF AS CINQUE AND AS A QUOTE GENERAL FIELD MARSHAL UNQUOTE IS NOT ACTUALLY A PERSON WHO HAS THAT TITLE OR USES THAT ALIAS; FURTHERMORE, THAT IT SOUNDED AS THOUGH SOMEONE HAD PREPARED COMMENTS FOR HIM, AS HE APPEARED TO BE USING AN UNNATURAL VOCABULARY.

[REDACTED] HAD NOT PREPARED A DETAILED ANALYSIS OF THE TWO MALE VOICES; HOWEVER, HE AGREED TO DO THIS AND WOULD FURNISH ALL RESULTS TO THE SACRAMENTO OFFICE BY AFTERNOON OF / FEBRUARY 15, 1974, AT WHICH TIME THE GRAPH ANALYSIS WHICH IS ON ROLLED PAPER WILL BE FURNISHED TO THE BUREAU VIA AMSD.

[REDACTED] INDICATED THAT ANOTHER PSE QUOTE EXPERT UNQUOTE IS [REDACTED] FORT LAUDERDALE, FLORIDA, WITH WHOM HE HAS WORKED IN THE PAST.

GARAGE. [REDACTED] INDICATED THAT HE WAS NOW CONCERNED ABOUT HAVING THIS BROUGHT TO THE ATTENTION OF THE FBI AND ABOUT FURNISHING THE ABOVE KEY TO THEM. HE WAS ALSO CONCERNED ABOUT HIS LOSING HIS "CREDENTIALS WITH HIS PEOPLE". [REDACTED] THEN INSTRUCTED TWO OF HIS AIDES TO GO TO THE GREYHOUND BUS DEPOT, LOCATE THE LOCKER, OBTAIN ITS CONTENTS AND BRING IT BACK TO HIM. HE INDICATED THAT WHEN HE RECEIVED THE CONTENTS FROM THE LOCKER, HE MAY CALL THE FBI, HOWEVER, HE WAS NOT SURE WHAT HE SHOULD DO AND INDICATED THAT HE MAY CALL RANDOLPH HEARST. WILLIAMS WOULD NOT ALLOW AGENTS TO INTERVIEW [REDACTED] AND ONE OTHER UNIDENTIFIED AIDE PRESENT AT THE TIME. AT 12:20 PM, MR. HEARST TELEPHONICALLY CONTACTED [REDACTED], ADVISING THAT HE HAD JUST BEEN CONTACTED BY [REDACTED] WHO ALLEGED THAT AGENTS HAD "HASSELED" HIM. HEARST WAS ADVISED THERE WAS NO BASIS, IN FACT, FOR THIS ALLEGATION AFTER INTERVIEWING AGENTS WERE CONTACTED. HEARST ADVISED THAT HE WAS UTILIZING [REDACTED] AND OTHER BLACK LEADERS AND INDIVIDUALS AFFILIATED WITH EXTREMIST ORGANIZATIONS, SUCH AS THE VENCEREMOS ORGANIZATION IN THE SAN FRANCISCO AREA, IN AN EFFORT TO USE THEM AS A MEANS OF COMMUNICATING WITH THE KIDNAPERS. HE INDICATED THAT THESE INDIVIDUALS, INCLUDING [REDACTED] HAD ADVISED HIM THAT ^{They} THEY DESIRED NO CONTACT WITH THE FBI AND REQUESTED US TO HONOR

THEIR REQUEST SINCE NOT TO DO SO MIGHT POSSIBLY JEOPARDIZE HIS CONTACT WITH [REDACTED] AND INDIVIDUALS ASSOCIATED WITH HIM. IT SHOULD BE NOTED THAT [REDACTED] IS ANTI-ESTABLISHMENT AND LAW ENFORCEMENT AND ASSOCIATES WITH KNOWN RADICAL GROUPS.

IN VIEW OF MR. HEARST'S REQUEST, AGENTS OF THE SAN FRANCISCO OFFICE WERE UNABLE TO OBTAIN COMPLETE DETAILS REGARDING THE RECEIPT OF THIS COMMUNICATION FROM [REDACTED] AND OTHER INDIVIDUALS INVOLVED. HOWEVER, WE DID PROCESS THE PHONE BOOTH WHERE THE KEY WAS PLACED UNDER THE TRAY BELOW THE TELEPHONE AND ARE INTERVIEWING EMPLOYEES ON THE PERTINENT SHIFTS AT THE GARAGE WHERE THE TELEPHONE BOOTH WAS LOCATED.

AFTER SEVERAL CONTACTS WITH [REDACTED], ARRANGEMENTS WERE MADE TO OBTAIN THE COMMUNICATION FROM A [REDACTED] HIS SECRETARY, [REDACTED] AT 1:35, PM, SAN FRANCISCO OFFICE WAS SUCCESSFUL IN CONTACTING HER AND SHE MADE AVAILABLE AN ENVELOPE 9 1/2" BY 12 1/2", TAN IN COLOR, WHICH BORE SIX UNCANCELLED EIGHT CENT STAMPS. THE ADDRESS ON THE ENVELOPE WAS HANDPRINTED IN INK READING, [REDACTED]

[REDACTED] CALIF." THE RETURN ADDRESS, ALSO HANDPRINTED IN INK, READ [REDACTED] SAN FRANCISCO, CALIF." CONTAINED IN THE ENVELOPE, WHICH WAS OPENED WHEN RECEIVED BY AGENTS, WAS A ZENITH COMPACT C-60 CASSETTE IN ITS CONTAINER. THE

ABOVE EVIDENCE IS BEING SUBMITTED TO THE FBI LABORATORY AND IDENTIFICATION DIVISION FOR APPROPRIATE EXAMINATION. [REDACTED] REPORTER FOR "SAN FRANCISCO CHRONICLE."

THE RECORDING ON THE CASSETTE IS APPARENTLY MADE BY A FAULTY MACHINE, OR WITH SOME DELIBERATE DISTORTION, HOWEVER, THERE IS A FEMALE VOICE, WHICH HAS BEEN IDENTIFIED BY RANDOLPH HEARST AS HIS DAUGHTER. VICTIM STATES THAT SHE IS MAKING THE TAPE TO LET HER PARENTS KNOW SHE IS OKAY AND THAT THERE WAS SOME MISUNDERSTANDING ABOUT WHAT HER FATHER CAN DO. SHE STATES THAT THEY UNDERSTAND THAT YOU WANT TO MEET THE DEMANDS AND THAT THEY WERE NOT TRYING TO PRESENT AN UNREASONABLE REQUEST, THAT IT WAS NEVER INTENDED THAT YOU FEED THE WHOLE STATE AND THAT WHATEVER YOU COME UP WITH IS BASICALLY OKAY, BUT THE SLA IS REALLY MAD ABOUT ATTEMPTS TO MAKE RECEIVING FOOD AN ITEM OF RECEIVING GOODS GOTTEN BY EXTORTION, AND THEY DO NOT WANT THE PEOPLE HARASSED BY POLICE AND THAT IF HEARST DOES NOT DO SOMETHING ABOUT IT, THE SLA WILL. SHE GOES ON TO EMPHASIZE THAT SHE IS ALIVE AND WELL AND THAT IT IS DEPRESSING TO HEAR PEOPLE TALK AS THOUGH SHE WERE DEAD AND FEELS THAT THIS TYPE OF TALK GIVES THE FBI AN EXCUSE TO COME IN AND TRY TO PULL ME OUT. SHE GOES ON TO STATE THAT SHE IS SURE MR. BATES UNDERSTANDS THAT IF THE FBI HAS TO COME IN AND GET HER OUT BY FORCE, THEY WILL NOT HAVE TIME TO DECIDE WHO

ENF OF PAGE FOUR

NOT TO KILL, THEY WILL HAVE TO KILL EVERYONE. SHE CONTINUES ON ABOUT THE FOOD PROGRAM IN THAT THIS IS TO SHOW THAT PEOPLE CAN BE FED AND SHE CONTINUES THAT THE SLA IS ANNOYED ABOUT THE ATTEMPTS TO TURN THIS INTO A RACIAL ISSUE WHEN IT IS REALLY POLITICAL. SHE MENTIONS TURNING OVER HER NOTES. SHE CLAIMS SHE IS A PRISONER OF WAR AND IS BEING TREATED IN ACCORDANCE WITH THE INTERNATIONAL CODES OF WAR. SHE SAYS SHE IS NOT BEING STARVED. SHE CLAIMS IT IS IMPORTANT TO THE SLA THAT SHE RETURN SAFELY AND SHE MENTIONS THAT PEOPLE SHOULD STOP ACTING LIKE SHE IS DEAD AND THAT MOM SHOULD GET OUT OF HER BLACK DRESS. SHE SAYS TAHT SHE WILL BE OKAY AS LONG AS THE SLA DEMANDS ARE MET AND AS LONG AS THE TWO PRISONERS AT SAN QUENTIN ARE OKAY. SHE KEEPS REPEATING THAT SHE FEELS SHE WILL BE OKAY AS LONG AS THE FBI DOES NOT COME BUSTING IN. TOWARD THE END SHE SAYS "ON WEDNESDAY, SOLZHENITSYN WAS EXILED TO WEST GERMANY." IMMEDIATELY AFTER THIS, A MALE VOICE COMES ON AND AS WAY OF INTRODUCTION SAYS, "THIS IS FIELD MARSHAL CIN SPEAKING," AND INDICATES THEY WILL ACCEPT ANY SINCERE EFFORT ON HEARST'S PART. HE CLOSSES WITH THE FAMILIAR SLA CLOSING, "DEATH TO THE FASCIST INSECT THAT PRAYS UPON THE LIFE OF THE PEOPLE." THE VOICE OF THE MALE ON THE TAPE APPEARED TO BE IDENTICAL WITH THE VOICE OF THE FIRST MALE ON THE FEBRUARY 12, 1974, TAPE, WHICH

END OF PAGE FIVE

ALSO CONTAINED THE VOICE OF VICTIM.

MR. HEARST, SHORTLY AFTER THE RECEIPT OF THIS TAPE, MADE IT AVAILABLE TO THE NEWS MEDIA AND ALSO AT [REDACTED] REQUEST, MADE A COPY AVAILABLE TO HIM. TO PRECLUDE IT BEING REVEALED THAT [REDACTED] MADE THIS COMMUNICATION AVAILABLE TO THE FBI, MR. HEARST ANNOUNCED PUBLICLY THAT THE TAPE HAD BEEN OBTAINED BY [REDACTED] AN OFFICIAL OF THE HEARST PUBLICATION, THE "SAN FRANCISCO EXAMINER." FURTHER, THAT SINCE [REDACTED] DID NOT HAVE FACILITIES TO PROCESS THE CASSETTE, HE TURNED IT OVER TO THE FBI.

THE ABOVE IS INDICATIVE OF MR. HEARST'S DESIRE TO MAINTAIN HIS CONTACT WITH INDIVIDUALS SUCH AS [REDACTED], SO AS TO HAVE A COMMUNICATIONS LINK BETWEEN HIM AND THE SLA.

Special Agent in Charge

[REDACTED] sent him a one-way ticket to Los Angeles. He stated he knew [REDACTED] from the Los Angeles area where in 1969 she had been working for the Carte Blanche and was married to a Negro who was an artist. She is presently living in San Francisco with another black man and drives a Datsun 240-Z, 1971 or 1972, color unrecalled.

It should be noted that in his interview at Folsom, [REDACTED] claimed [REDACTED] had furnished him with a one-way plane ticket to Los Angeles following his escape, whereas in the interview following his arrest in Los Angeles, [REDACTED] stated his sister, [REDACTED] had sent him a one-way Trailways bus ticket to Los Angeles.

Butler 1949

[REDACTED]

It should also be noted [REDACTED] was shown photographs of the Weathfugs and failed to recognize any of them. He was also shown five photographs of [REDACTED] along with four photographs of other females. He identified the photograph of [REDACTED] as she appears with the black sweater, dark hair, and dark glasses. This was the last photograph shown to [REDACTED]

It should be further noted in his interview following his arrest, [REDACTED] stated he had spent most of the time since his escape at [REDACTED]

He added in April, 1973, he and his wife had gone to the San Francisco area, and they visited [REDACTED]. [REDACTED] requested he attend a meeting in Richmond, California, where the sale of guns and narcotics would be discussed. He claimed [REDACTED] desired his presence there since she knew he had been involved in the sale of narcotics in the past. He drove his wife to an intersection in Richmond which is located near a large indoor community pool and park area. He stated he would furnish a photograph later of himself, his wife, and their car taken at that intersection. He claimed at that intersection he was picked up by [REDACTED] whom he had met in 1970 but had not seen since. [REDACTED] circled the block and took him to a residence located approximately five houses away from that intersection and on the same street as the swimming pool. He stated the individuals there at the time were [REDACTED] himself, and about ten others he could not recall. [REDACTED] subsequently furnished a photograph of himself, his wife, and car taken at the intersection he claimed to be in Richmond. The name of the store in the back was observed through a magnifying glass and determined to be [REDACTED]. (A check with the information operator in Richmond failed to reflect any listing for such a cafe.)

SC 7-203

He advised he returned to the residence of [REDACTED] in San Francisco in early May, 1973. [REDACTED] took him to the cave described in above referenced communication.

[REDACTED] at first stated that The Cripps, a Los Angeles group of young Negro toughs, the August 7 Movement and the SLA in the Bay Area were actually the three organizations which comprised the SLA. However, when pressed for information which would lead him to this conclusion, he stated he had merely based this on the fact he had seen [REDACTED] and [REDACTED] at parties at which some of the members of The Cripps were in attendance. He stated the above individuals had admitted to him that they were members of the SLA and when they took him to the cave near Weed, they told him that this was a training facility for the SLA. He also stated when he arrived at the cave, there were about 15 other people there, one of whom was [REDACTED] mentioned in above referenced communication. He noted [REDACTED], also mentioned in above referenced communication, had admitted to him she was a member of the SLA, but he had no other information which would indicate such membership.

The above information is being furnished to the San Francisco Division for assistance in evaluating information furnished by [REDACTED]

[REDACTED]

[REDACTED] a renowned psychologist and former Chairman of the [REDACTED] has long been an established, reliable source of this office. Because of his prowess as a reputable, responsible psychologist, he held the key post [REDACTED] during the entire period of New Left, Black Militant radicalism. As former administrator at [REDACTED], he has personal acquaintance with numerous radical figures of past or present national prominence.

[REDACTED]

It is noted that in the late 1960s, he furnished this office with an analysis of the radicals of his experience, and an action projection for revolutionaries for the future in the United States. His projections, re tactics and areas of activities, have proven astoundingly accurate, including organizational activities in prisons, developing the inmate constituency, etc.

REC-88

7-15200-335 FEB 18 1974 20

In essence, he is not a "crack-pot," nor does he claim any clairvoyance. He is a serious scholar of the radical Left. On 2/13/74, he volunteered the following observations, which he considered to be of possible assistance to the FBI in its investigation of the Symbionese Liberation Army (SLA) and of its leader, Mrs. NANCY LING PERRY.

He emphasized that he had no acquaintance whatsoever with either the SLA or with Mrs. PERRY. His observations, he said, are based on published news accounts of the kidnaping, of SLA and PERRY, and on his experience with Radical mentality, as seen through his study as a psychologist as a specialist in disorders of the "youth culture" mentality.

Regarding Mrs. PERRY, and associates, he stated as follows:

I. Re Associations and Life Style

She predictably numbers among her associates in the SLA, Indians, Chicanos, Chinese and Blacks to whom she bears intellectual superiority and for whom she is the Ideological leader and spokesman. Her group should include several white "hangers-on," who are as bright as she, and probably, like her, from middle-class to upper-middle-class backgrounds. The blacks predictably would be bright, but of "Street People" background. Indian members should fit the model of the Indian liberation model, RUSSEL MEANS. She probably has a sexual relationship to one or more of the non-white members; and although she is clearly their superior, she would permit herself to be dominated sexually by them in a Sado-Masochistic relationship. She is heavily, over-identified with the underdog.

Although she would consider herself clearly superior to the "running dogs of the imperialist society," she has absolutely no personal respect for herself. She would probably live in abject poverty or pseudo-poverty situation, although not in a typical "pad." Her life style should include a great weakness: a holdover in form of a sign or signal of her past position of affluence, some vestige of the "good life." Examples, she might occasionally splurge and visit an excellent restaurant; put on the dog and have a night on the town as a society gal; obtain great pleasure out of being if only briefly in a fine, expensive car.

She could not possibly stay away from witnessing the first symbolic turnover of money and/or foodstuffs to the people, per her demands. She would have a compulsion to personally see the success of her first destructive venture against the establishment.

She would also have some logical loose ties with someone outside her organization in whom she has trust. She may well think these ties are far more important than

they really are. This person would serve like a "Consultant," one she can rap with for support, ideologically. Someone who is really tough and who would encourage her and her worth to "the people."

II. Reactions to Stress

She would do all personally possible to avoid killing the victim in this kidnaping. Under no circumstances could she personally do the killing or be direct party to same. In this connection, however, she is seen as possibly entirely capable of sitting at a typewriter and in a fantasy-like situation typing out an order for execution of victim. This would demonstrate her feeling of omnipotence--remote power, but exercised reluctantly and only when deemed necessary. There would be no killing in her pad or near it. At least it would not occur when she was around same.

If she opts for a killing, she would do so only to demonstrate the seriousness of their intent--a demand to be taken seriously. The act would be backed by a quasi-legal execution order in the name of the people for crimes against the people.

She sincerely wants to bring the Establishment to its knees, bowing in front of her power. Predictably, if Mr. HEARST broke and repented publicly for his crimes against the people, this would prove to be the ultimate "trip" for her.

Should she succeed in her demands for tribute, there predictably would be held a semi-public celebration in which she would reveal herself to the most trusted and to those on the edge of her movement. She would claim her credit among insiders as the Architect and Executioner of the successful score against the Establishment. She should soon afterwards, however, need public recognition.

Several points contained in the victim's reported releases to her parents were deemed as indicative of problems for PERRY and her group:

Quote to the effect: "I know these people are disturbed at press distortions concerning them." This is stated because of the group's need for self-esteem, to maintain the conviction that they represent the altruistic, wellintended, self-sacrificing workers for the people. They are saying, "We may be forced by you to do undesirable things, which will be your responsibility. Don't push us, we're really the good guys."

Another quote runs to the effect: "I'm very upset about the raid on the Oakland House, cool it." This expresses further the need to depict selves as the "good guys." But it also displays that they are really uptight about getting caught. PERRY predictably would have an intense fear at being caught, at having her decisions and options aborted.

A third quote runs to the effect, "I'm with a combat team and a medical team, don't try to get me. These are not nuts, but persons willing to die for convictions." Here she is obviously parroting what told to say. Probably, most of the team are terrified and not willing to die for their ideology. It is vastly important to them, however, to be taken seriously. They crave to demonstrate their power to deal with the highest level of authority possible. They need symbolic success.

Would they kill the victim? Certainly, to save face and creditability of the organization, but only when clearly frustrated. Not a sought-after goal. The victim is a weapon only. PERRY could not and would not do so, but sadistic associates would do her bidding. This predictably would not be a killing with gore, but by simple means. Clean and quick. The killing would be far less important than fact the act would demonstrate seriousness of intent, and a warning that future demands must be taken seriously.

III. Likely Locations for PERRY and/or Associates

(1) Most likely location believed to be area of North Oakland, California, which is comprised of a hard-core black district, south of MacArthur Blvd., west of College Avenue. The area blends into area of racial mixture and beginnings of area residents are alleged to the university.

(2) Second likely area is Martinez, where group of type described could melt without notice.

(3) Third area is east of the Berkley Hills in the Valley in area of Mount Diablo. Makeshift shacks exist about the area, and some type of old structure stands atop same. This area, literally, "Devil's Mountain," would have romantic appeal to groups of this type, who show a deep strain of romanticism.

(4) Another possibility exists in the San Jose area some 55 miles south. It is an old Spanish settlement, with a large Chicano segment of population.

DE 7-1303

In each of these areas, for different reasons believed attractive to persons of PERRY's believed nature, are areas where members of the described group might feel comfortable, or in any event, would not make themselves conspicuous.

Above is furnished solely for the information of San Francisco, inasmuch as it was submitted voluntarily by a respected and knowledgeable "radical-watcher," who has demonstrated remarkable insight in the past.

He commented that if he knew more of this subject, he could perhaps make a more comprehensive conjecture.

Re: HEARNAP

FBI File No. 7-15200

Lab. No. D-740214063 PF

Specimens received 2-14-74

- Q43 Envelope postmarked "PALO ALTO, CA 943 -PM 11 FEB 1974," bearing typewritten address "R.A. Hearst Family, 233 W. Santa Inez Ave., Hillsborough, Calif. 94010"
- Q44 Sheet of paper bearing typewritten message beginning "Monday, Feb. 11, Hearst Family, (Second Commandment: "For I ..."

Result of examination:

The typewriting on Q43 and Q44 is the same style of type as the typewriting on Q41 and Q42, previously submitted, which were found to correspond to Laboratory standards for a Setag pica style of type, spaced 250 millimeters per one hundred characters. This style of type is used on typewriters manufactured under brand names including Calanda, Hermes, Japy, and Princess. Although some characteristics in common were observed in comparing the typewriting on Q42 and Q43 with the typewriting on Q41 and Q42, a definite conclusion was not reached whether these items were prepared by the same typewriter due to the lack of a sufficient number of individual identifying characteristics.

No typewriting on items previously submitted in this case or in case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" was determined to correspond to this style of type.

A watermark reading "Erasable Bond 25% Cotton Content" appears on Q44. Watermarks of this type are registered to the Kimberly-Clark Corporation, Neenah, Wisconsin. Q43 and Q44 contain no other watermarks, indented writing of significance or other characteristics to aid in definitely determining their source. An eight cent U.S. Postal Service stamp, torn from a roll of stamps, is affixed to Q43.

Q43 and Q44 are being returned separately. Photographs were made.

Re: UNSUBS (5);

FBI File No. 7-15200

Lab. No. PC-K5393 PV
PC-K5430 PV

Specimens received 2/13/74, under cover of letter dated 2/10/74 (PC-K5393 PV)

Q46 Vacuum sweepings

Specimens received 2/14/74, under cover of letter dated 2/12/74
(PC-K5430 PV)

Q47 Glove

Result of examination:

The Q46 vacuumed debris consists of a few black head hair fragments of Negroid origin, several brown pubic hairs and light brown pubic hairs of Caucasian origin, several light brown Caucasian head hairs and several black head hairs which exhibit Mongoloid characteristics. The black Mongoloid head hairs have been forcibly pulled from the scalp. These hairs have been mounted on glass microscope slides for possible future comparisons.

Textile fibers of various types and colors were removed from the vacuum bag and placed in a container to be retained for future comparisons.

The Q47 glove found in PETER BENNISON'S vehicle bears a label which reads "Made in Italy for L. S. Ayres and Co. of Indiana." L. S. Ayres Company is a department store chain headquartered in Indianapolis, Indiana. No other markings were found on Q47 which would identify the owner or manufacturer.

No hairs were found on Q47.

The individual in contact with the commentator stated in
effect that he would be a Robin Hood and take it from the
rich and give it to the poor.

[REDACTED] surmized this individual might be one

RE CALL FROM ASSOCIATE DIRECTOR N. P. CALLAHAN, FURNISHING INFORMATION IN TELETYPE FROM USA BROWNING, SF, TO ATTORNEY GENERAL REGARDING HANDLING OF THIS CASE.

1. ON INSTRUCTIONS, I DISCUSSED THIS ENTIRE MATTER AT LENGTH WITH BROWNING. IN ITEM 1 OF USA'S TELETYPE, HE SUGGESTED BLANKET APPROVAL TO SAC AND USA TO PROVIDE WRITTEN SUMMARIES OF THE ON-GOING INVESTIGATION (302'S, LHMS, REPORTS) TO DESIGNATED OFFICIALS OF LOCAL AGENCIES INVOLVED IN INVESTIGATION. I TOLD BROWNING I DID NOT THINK THIS WAS NECESSARY. WE WERE WORKING CLOSELY WITH LOCAL OFFICIALS. WE WERE EXCHANGING NECESSARY INFORMATION. I FEEL THIS IS SUFFICIENT. HOWEVER, AT A CERTAIN POINT IN THE FUTURE IT MIGHT BE NECESSARY TO FURNISH OUR INFORMATION TO LOCAL DA'S IF DECISION IS MADE THAT SOME OF PROSECUTION IN THIS CASE MIGHT BE ON LOCAL LEVEL. IT WOULD APPEAR THIS COULD BE HANDLED LATER.

2. BROWNING SUGGESTED A CONTINUAL EXCHANGE OF ORAL INFORMATION AND INTELLIGENCE BETWEEN LOCAL AND FEDERAL AGENCIES, INCLUDING ACCESS TO ALL EVIDENCE IN POSSESSION OF ALAMEDA COUNTY AUTHORITIES. THIS HAS ALREADY BEEN ACCOMPLISHED. ALL, REPEAT ALL,

EVIDENCE AND INFORMATION IN POSSESSION LOCALS HAS BEEN MADE AVAILABLE TO US AND IS CURRENTLY BEING PHOTOGRAPHED. THIS INVOLVES HUNDREDS OF DOCUMENTS AND EXHIBITS.

3. BROWNING WANTED DAILY SUMMARIES OF INVESTIGATIVE ACTIVITY TO ENABLE HIM TO BE PREPARED TO FILE APPROPRIATE PROCESS. I TOLD HIM WE PREPARE A DAILY SUCCINCT, BRIEF SUMMARY OF INVESTIGATION WHICH IS SENT TO FBI HEADQUARTERS NIGHTLY. HOWEVER, THIS IS NOT IN ENOUGH DETAIL TO BE USED FOR THE FILING OF CHARGES. I HAVE NO OBJECTION TO FURNISHING BROWNING COPY OF DAILY TELETYPE SUMMARY (DELETING ADMINISTRATIVE MATTERS) AND WILL DO SO, UACB.

4. BROWNING WANTED REASONABLE DEADLINES ESTABLISHED FOR SUBMISSION OF REPORTS TO HIS OFFICE AND TO DEPARTMENT. HE SUGGESTED FIVE TO SEVEN DAYS AS NOT BEING UNREASONABLE. I TOLD HIM WE WERE IN PROCESS OF COMPILING A REPORT AND, UNDER THE CIRCUMSTANCES OF THIS CASE, I WOULD NOT BE HELD TO ANY SPECIFIC DEADLINE BUT THAT I WOULD CERTAINLY SEE THAT HE RECEIVED AN IMMEDIATE COPY AS SOON AS REPORT PREPARED. HE AGREED.

I AM CONVINCED THAT BROWNING IS TRYING TO BE HELPFUL. HE WANTS TO BE PREPARED ON SHORT NOTICE TO PROCEED AGAINST EVERYONE POSSIBLE AND THIS, OF COURSE, IS OUR AIM. I THINK THIS CAN BE ACCOMPLISHED UNDER CURRENT PROCEDURES AND WE WILL KEEP USA ADVISED OF EVIDENTIARY MATTERS. I DID POINT OUT TO HIM THAT

SUCH COMMUNICATIONS ADD TO THE ADMINISTRATIVE BURDEN AND THAT WE DON'T NEED THIS AT THIS TIME. HE COMPLETELY AGREED AND SAID HE DID NOT WANT TO DO ANYTHING THAT WOULD HAMPER IN ANY WAY OUR INVESTIGATIVE EFFORTS. RELATIONS WITH BROWNING HAVE ALWAYS BEEN EXCELLENT AND STILL ARE. [REDACTED]

I BELIEVE THAT MY COMMENTS ON ITEMS ABOVE HAVE COMPLETELY SATISFIED BROWNING.

ANY FURTHER COMMUNICATION FROM BROWNING REGARDING THIS WILL BE IMMEDIATELY BROUGHT TO THE BUREAU'S ATTENTION. I DID SUGGEST TO HIM THAT IF HE HAD ANY FURTHER IDEAS HE COMMUNICATE WITH ME FIRST.

PATRICIA CAMPBELL HEARST;
KIDNAPING
"INFORMATION MEMORANDUM"

Reference is made to the conversation you had with Assistant to the Director Edward S. Miller on the afternoon of February 15, 1974, pertaining to the communication you received on that date from U. S. Attorney (USA) James L. Browning, Jr., concerning the Hearst Kidnaping case. In line with your instructions Special Agent In Charge (SAC) Charles W. Bates of our San Francisco Office personally contacted Mr. Browning on February 15, 1974.

Mr. Browning had suggested that blanket approval be given to SAC Bates and Mr. Browning to provide written summaries of the ongoing investigation to designated officials of local agencies involved in this investigation. SAC Bates did not think this was necessary inasmuch as the FBI was working closely with local officials and exchanging necessary information. If at a certain point in the future it might be necessary to furnish information gathered by the FBI to local District Attorneys for necessary local prosecution, the dissemination of information could be handled then.

Mr. Browning suggested a continual exchange of oral information and intelligence between local and Federal agencies including access to all evidence in possession of Alameda County, California, authorities. SAC Bates advised Mr. Browning that this has already been accomplished.

Mr. Browning indicated he wanted daily summaries of investigative activity to enable him to be prepared to file appropriate process. Mr. Browning was informed that the San Francisco Office prepares a daily succinct summary of investigation which is sent to FBI Headquarters nightly. Although this is not in enough detail to be used in the filing of charges, a copy of this daily summary will be furnished to Mr. Browning's Office. In regard to reasonable deadlines being established for submission of FBI reports to Mr. Browning's Office, SAC Bates informed Mr. Browning that the San Francisco

The Attorney General

Office is in the process of compiling a report. However, under the circumstances of this case, SAC Bates could not be held to any specific deadline but would insure that Mr. Browning received an immediate copy as soon as the report is prepared. Mr. Browning agreed to this proposal.

SAC Bates is mindful of Mr. Browning's desire to be prepared on short notice to proceed against everyone possibly involved in this case. This, of course, is our aim and SAC Bates will insure that Mr. Browning's Office is advised of all evidentiary matters. However, SAC Bates did point out to Mr. Browning that communications such as these add to the administrative burden of the FBI. Mr. Browning agreed and stated he did not want to do anything that would hamper in any way the FBI's investigative efforts.

It is felt that SAC Bates' conference with Mr. Browning has completely satisfied Mr. Browning's desires in the handling of the Hearst Kidnaping.

The Attorney General

NOTE: On 2-15-74 Attorney General Saxbe discussed with Assistant to the Director Edward S. Miller the contents of a teletype the Attorney General had received from USA James L. Browning, Jr., of San Francisco. This teletype contained proposals of Browning regarding implementation of a "Task Force" to handle this case. The Attorney General asked for Mr. Miller's opinion regarding these matters and Mr. Miller informed him that upon quick review, Browning's proposals appeared completely unsatisfactory. Mr. Miller recommended that SAC Bates of the San Francisco Office discuss this matter with USA Browning and thereafter submit his (Bates') recommendations regarding the procedures proposed by Browning. The above sets forth the results of the conference between SAC Bates and USA Browning. It appears all matters were resolved in the Bureau's best interests.

Enclosed for the Laboratory is one (1) copper bullet fragment which was obtained from [redacted] California on 2/10/74.

[redacted] advised that she had discovered above specimen that day while sweeping under her kitchen stove. It would appear that above fragment is part of a bullet which was fired through the kitchen wall over the refrigerator. Another fragment from same, previously submitted to the Laboratory, was recovered by the Berkeley Police Department (BPD) from that kitchen on 2/5/74. *BERKELEY P.D.*

The Laboratory is requested to conduct appropriate firearms identification examination regarding enclosed specimen.

Above specimen should be returned to San Francisco Division following requested examination.

Reference memorandum of 2-8-74 reporting that William H. Stapleton, Assistant Staff Director, House Committee on Internal Security, had furnished a copy of a 14-page Committee background paper on the Symbionese Liberation Army (SLA) as being of possible assistance to the FBI in connection with captioned investigation.

INSP BOWERS

On 2-12-74 Stapleton advised Inspector Bowers that HCIS Chairman, Richard Ichord, intends to include the above-mentioned information on the SLA in the Congressional Record in the very near future. He said the Chairman would like to indicate with his remarks that the material had been turned over to the FBI, and he wondered if it would be possible to get a letter from the Director thanking the Chairman for this information, which letter could be included with the Chairman's remarks.

We have an excellent relationship with Congressman Ichord, and it is felt we should comply with this request.

RECOMMENDATION:

That the enclosed letter be approved and returned to Congressional Services Office for delivery to Congressman Ichord.

Dear Mr. Chairman:

I want to thank you very much for making available the material your staff had compiled on the Symbionese Liberation Army, the group which claims responsibility for the kidnaping of Patricia Hearst. It was indeed thoughtful of you to do this. This is the type of cooperation which is certainly meaningful to law enforcement.

With best wishes,

DAILY SUMMARY

San Francisco is conducting discreet spot checks of Symbionese Liberation Army (SLA) residences in the Oakland area, in an effort to locate automobiles involved in the kidnaping and to locate suspects. A comparison of driver's licenses from the California Department of Motor Vehicles indicates that several SLA suspects are in possession of fraudulent driver's licenses. This is being pursued to determine if these identifications have been utilized to purchase firearms, visit incarcerated SLA members and for possible connection with this case.

We are not issuing Identification Orders or Wanted Flyers on [redacted] and Donald David DeFreeze inasmuch as we don't want to jeopardize the safety of the victim in this case.

San Francisco advised envelope containing second communication received by KPEA Radio Station, Berkeley, 2/12/74, containing letter and cassette, hand printed in ink with return address of [REDACTED] QED-TV, Channel 9, 1011 Bryant, San Francisco, with notation alongside return address "To the attention of." Postal employee, Berkeley, identified postmark as San Francisco area. San Francisco also advised [REDACTED] is local television personality employed by a public service station who recently was critical of SLA in connection with captioned matter. Envelope delivered by victim's father to San Francisco Office and it has been forwarded to FBIHQ for appropriate Laboratory examination.

Call

[REDACTED]

San Francisco Office held conference 2/13/74, with U. S. Attorney and two Departmental Attorneys, latter assigned exclusively to captioned matter, who are studying various other Federal statutes and evidentiary material necessary to constitute a particular violation. San Francisco Agents have been instructed to develop evidentiary material of association between SLA members for possible conspiracy charges.

[REDACTED]

Victim's father continues to be extremely cooperative and has indicated on numerous occasions before taking any course of action he would solicit FBI's advice. Mr. Hearst advised 2/13/74, he intended to do everything within his power to comply with SLA's demands, however, it was such a large problem logistically, he did not feel it could be worked out on practical basis. Mr. Hearst commented he would try to come up with counter proposal within 24-to-48-hour period, one which he could physically accomplish. Reports that Mr. Hearst had contacted U. S. Department of Agriculture regarding food in this matter are inaccurate. Mr. Hearst advised that no such contact was made by him.

San Francisco further advised Mr. Hearst received lengthy Western Union telegram signed by Huey P. Newton, head of Black Panther Party (BPP). Telegram, filed in a.m. of 2/13/74, stated in essence that BPP is willing to distribute the food and continues with BPP rhetoric and denies relationship with SLA.

Whereabouts of Bureau of Alcohol, Tobacco and Firearms source who furnished information regarding planned SLA killings of local and Federal officials not yet determined. Every effort being made to locate this individual.

San Francisco indicated Edwin Meese, Administrative Assistant to California Governor Ronald Reagan, advised 2/13/74, in connection with demand for food, upon instructions of Governor Reagan, State of California officials making no comment. Any communication and/or inquiry regarding this matter being referred to Hearst Family and/or the San Francisco Hearst publication, the Examiner. Meese offered all facilities of state, including law enforcement agencies, to FBI.

According to San Francisco, to date, an estimated one-half million dollars in pledges and money has come directly to the Hearst residence as five grocery sacks of mail are in process of being opened.

TO : THE DIRECTOR

DATE: 2-15-74

FROM : N. P. CALLAHAN

SUBJECT: HEARNAP CASE

In accordance with my discussion with you today, arrangements have been made for Assistant Director Ray Wannall and SA [REDACTED] of the Firearms Training Staff at Quantico, to meet SACs Roy Moore of Jackson and Rex Shroder of San Diego in San Francisco tomorrow to discuss the captioned case with SAC Bates. These individuals have been instructed that they are not to take over the supervision of the case but to be of any assistance they can to SAC Bates and offer any ideas, suggestion, or plans looking toward the solution of this case and discuss plans in the event it becomes necessary to rescue the victim.

They are instructed to confer with Bates for two days and then return to their offices of assignment. In the event they feel they need more time, they are to advise Bureau Headquarters of this fact. They plan not to go to the San Francisco Office but will meet in the San Mateo Resident Agency which is about 15 miles out of San Francisco and near the airport.

I have also discussed this matter with Deputy Associate Directors Jenkins and Miller, as well as Assistant Director Bob Gebhardt and SAC Bates. All of us were in concurrence that this was an excellent idea to send these men to San Francisco to give assistance and consultation to SAC Bates. It has been made perfectly clear to these 4 individuals as well as SAC Bates that Bates is still in charge of the case and these men are merely to assist and consult with him in view of the pressure he has received in handling this delicate case. SAC Bates has been instructed that if he receives any press inquiries concerning these men being in the San Francisco area he is to advise the press that they are there for consultation and assistance, that he, Bates, is still supervising the case and receiving the full support of Bureau Headquarters.

Submitted for information.

At 4:15 p.m. Attorney General Saxbe telephoned to ask that I go to his office to discuss a matter.

On arrival he handed me a copy of a wire he had received from USA James L. Browning, Jr., San Francisco, recommending implementation of a "task force" to handle captioned case. The details of Browning's proposal are contained in the attached copy of the wire to the Attorney General.

The Attorney General asked for my opinion regarding these matters and I told him that on quick review Browning's proposals appeared completely unsatisfactory to me. He asked what I would recommend and I told him that SAC Bates of San Francisco should discuss this matter with Browning and thereafter submit his recommendations regarding the points as proposed by Browning.

Mr. Saxbe agreed, stating that Bates should tell Browning that Bates is discussing matter with him at Mr. Saxbe's request.

SUBJECT: REACTION OF PUBLIC INFORMATION OFFICE
DEPARTMENT OF JUSTICE
TO COMMENTS REGARDING HEARNAP CASE
MADE BY ATTORNEY GENERAL AT PRESS
CONFERENCE, 2/14/74

I thought you would be interested in knowing that while SA T.J. Harrington of our Press Office was waiting at the Public Information Office (PIO) of the Department for Mr. Saxbe's clarification of his unfortunate remarks regarding the Hearst kidnaping made at a press conference yesterday morning, representatives of PIO expressed glee at the consternation of the Bureau in trying to respond to press inquiries generated by the AG's remarks at the conference. It was clear to Harrington that they were enjoying the possible problems created between the AG and the Bureau and the uncomfortable position the AG had placed the Bureau in by this unfortunate situation.

Reference SF telcal to Bureau 2/12/74. Bu telcal to SF 2/13/74.

In referenced telcal [REDACTED] (SFO) requested two sets of photographs of the markings present on the 25 Remington-Peters 9mm Luger cartridges recovered in the victim's apartment.

On 2/13/74, Assistant Special Agent in Charge Thomas P. Druken (SFO) was advised that the markings present on the above cartridges are random in nature and therefore, cannot be adequately depicted by photographs. Of all the submitted bullets, cartridge cases and cartridges submitted in this case, the only item which bears markings suitable for photographs is the .380 Auto caliber Super Vel cartridge case recovered from the vehicle.

Two exposures of this cartridge case were prepared. The two exposures differed in that the light source was varied 90° to assure highlighting of a maximum number of microscopic markings. On both exposures the extractor location (EXT), ejector location (Ejt) and light source orientation were marked with arrows.

The two negatives and a number of prints prepared from those negatives were hand carried to the San Francisco Office by Special Agent [REDACTED] on 2/15/74.

DAILY SUMMARY
2/16-18/74

THIRD COMMUNICATION RECEIVED FROM SYMBIONESE LIBERATION ARMY (SLA) WITH CASSETTE CONTAINING VOICE OF VICTIM AND CINQUE, 2/16/74:

On 2/16/74, Agents of the San Francisco Office (SFO) were furnished an envelope which was opened when received and contained a Zenith compact C-60 cassette in its container. The recording on the cassette contains a female voice which has been identified by the victim's father as his daughter. The victim states that she is O.K. and that there was some misunderstanding about the demands previously made on her father. The victim indicates that the SLA understands that her father wants to meet the demands and that they (the SLA) were not trying to present an unreasonable request. She indicates that she is alive and well and that it is depressing to hear people talk as though she were dead and that this type of talk gives the FBI an excuse to come in and try and pull her out. She goes on to state that she is sure that Mr. Bates understands that if the FBI has to come in and get her out by force they will have to kill everyone. She claims it is important to the SLA that she return safely and that she will be O.K. as long as the SLA demands are met and as long as the two prisoners at San Quentin are O.K. A male voice is on the tape and as a way of introduction says "This is Field Marshal Cin" and indicates they will accept any sincere effort on Hearst's part.

the FBI [REDACTED]

[REDACTED] obtained the key to a bus station locker and subsequently the envelope containing the cassette was then turned over to the SFO. The Identification Division has advised that no latent prints of value were developed on the envelope or the Zenith tape cassette. The Laboratory has advised characteristics observed in comparing handprinting on the envelope indicates it may have been prepared by writer or writers of handprinting on previous Manila envelope addressed to KPFA Radio Station. The Laboratory has also advised that voice spectrograms of female speaker in second cassette reveal numerous similarities to female voice in cassette tape received at KPFA Radio Station. An analysis of voice spectrograms of male speaker in second cassette reveals numerous similarities to voice of first male in previous cassette and they are in all probability the same speaker.

WILLIAM T. HARRIS AND EMILY MONTAGUE HARRIS, nee SCHWARTZ,
SUSPECTED SLA MEMBERS:

Memorandum to Mr. Gebhardt
RE: HEARNAP

The above-mentioned tape has been played to [REDACTED]

Tentative identifications indicate that the first male speaker on the tape identifying himself as "Cinque" is Donald DeFreeze and that the second speaker at the end of the tape is [REDACTED]

It is noted that DeFreeze has in the past used the alias "Cinque."

[REDACTED]

Investigation being requested at Los Angeles in effort to locate tapes either taken by investigating officers or at court proceedings in which DeFreeze [REDACTED] involved.

INVESTIGATIONS BEING CONDUCTED ON KNOWN AND SUSPECTED SLA MEMBERS:

In excess of 30 individuals are receiving intensified investigation by SFO in attempt to develop evidentiary information that can link them to victim's kidnaping or develop a possible conspiracy charge. Considerable data has been obtained concerning these individuals and these investigations are being pursued vigorously to develop desired information at earliest possible date. SFO using care in any investigation which might endanger victim's life and individuals will be considered for interview as soon as circumstances dictate.

WILLIAM RANDOLPH HEARST, VICTIM'S FATHER:

On 2/18/74, Mr. Hearst made statement to news media indicating fund of two million dollars will be utilized in connection with economic demands of SLA. He indicated one-half million of this amount was his personal funds. The balance would be provided by the Hearst Foundation. He indicated these funds would be delivered to a tax-exempt charitable organization approved by the Attorney General of California. Mr. Hearst has indicated he is inclined toward designating Reverend Cecil Williams, supra, as head of group to which he will furnish funds to be utilized in distribution of food to the poor. SAC, SFO remains in frequent contact with Mr. Hearst and is privy to his confidential dealings with these various groups. Mr. Hearst continues to solicit advice of SAC prior to making any major decisions.

Q1 Enclosed for the Bureau is the original letter
in this matter. Enclosed for San Francisco are two xerox
Q2 copies of letter. Enclosed for Baltimore is one xerox copy.

Victim is [REDACTED]

[REDACTED] Letter was received by him on 2/19/74. The letter refers to standardized tests which the WDC community is somewhat unhappy about since they believe they discriminate against Blacks and give white students taking the test the advantage. The P.R.M.T. referred to in the letter is the Prescriptive Reading and Mathematics Test, which do not, in the victim's opinion, discriminate against Blacks. It is therefore the victim's opinion that the party writing the letter does not know exactly what they are talking about. The victim has no idea who wrote the letter.

On 2/19/74, AUSA CHARLES H. ROISTACHER declined prosecution of the unknown subject in the event he was identified since the threat is [REDACTED] veiled to get prosecution on.

[REDACTED] was present during interview and is aware of this situation.

SUBJECT: HEARNAPDAILY SUMMARYINVESTIGATIONS BEING CONDUCTED ON KNOWN AND SUSPECTED SYMBIONESE LIBERATION ARMY (SLA) MEMBERS:

Investigation developed by the Los Angeles Division revealed that Patricia Michelle Soltysik formerly resided at 2135 A Parker Street, Berkeley, California, and during the Spring of 1973 was possibly in contact with SLA Fugitive Donald David DeFreeze.

it was learned that during the summer of 1973 Soltysik purchased a 1970 blue Volkswagen Bug. It is noted that a Volkswagen Bug was seen in the immediate area of the victim's residence during the evening of the kidnaping. Photographs of Soltysik are being furnished to San Francisco and will be displayed to appropriate witnesses.

DONALD DAVID DE FREEZE:

REC-82 7-15200-422 FEB 21 1974

Florida DeFreeze, ex-wife, was recontacted 2-19-74 and remains in a somewhat hostile mood complaining of continued news media harassment. She did however agree to hear the tapes which were played for her. She advised that both tapes were somewhat difficult to understand but that neither speaker was the voice of her ex-husband. She qualified this,

MM:JKH:CEW:

5 FEB 27 1974 (9)

6-MMM

however, by stating that she has had no voice contact with him since 1969 and may not be in a position to judge the tapes. She also advised that she had heard tapes played on television which she was unable to identify as her ex-husband and due to this, she may have prejudged the tapes played for her on 2/19/74. It is noted that the tapes were played by the news media to DeFreeze's mother on 2/15/74, and she advised at that time that the voices were not of her son Donald. The Cleveland Office feels that Gloria DeFreeze may have come under the influence of other relatives, associates, and DeFreeze's mother.

GLOVE LOCATED IN VEHICLE IN WHICH VICTIM WAS FIRST TRANSPORTED:

Peter Benenson, owner of the 1963 Chevrolet convertible in which victim was apparently first placed, has denied any knowledge of the leather and cloth glove found in his vehicle. As investigation has determined, the glove was manufactured prior to 1969 for distribution by an Indianapolis, Indiana, department store chain; color photographs have been prepared at FBIHQ and furnished to appropriate offices in an effort to identify its owner.

Benenson was reinterviewed in-depth concerning events transpiring during evening 2/4/74, and previous gaps in his prior interview were pointed out to him. He retraced his route from the time he left work during evening of kidnaping up until time he went to his sisters after freeing himself from his Chevrolet which was used as getaway car. San Francisco Office (SFO) advised 2/19/74, there is no indication to believe that Benenson, at this time, is in any way involved in this matter. Benenson agreed to submit to questioning utilizing a polygraph.

STEVEN WEED, VICTIM'S FIANCE:

In-depth reinterview of Weed conducted 2/19/74.

[REDACTED]

Weed admitted that victim had dropped "acid" with him on one occasion and has smoked pot occasionally with him. He related he began dating victim while he was an instructor at the Crystal Springs School, San Mateo, California, and she was a sophomore student. Victim later went on to attend Menlo Park College and thereafter they moved to Berkeley in September, 1972, where both attended the University of California. He claims to have received

Memorandum to Mr. Gebhardt
RE: HEARNAP

approximately \$400 a month as teaching assistant at University of California and did admit to utilizing certain funds that belonged to victim for apartment upkeep. Weed categorically denied having any knowledge or any participation in kidnaping or previously knowing any of the participants including Peter Benenson, supra, who was abducted prior to kidnaping. Weed volunteered he would submit to questioning under influence of sodium pentothal.

[REDACTED]

[REDACTED]

WILLIAM RANDOLPH HEARST, VICTIM'S FATHER:

Mr. Hearst publicly announced 2/19/74, that an organization known as "Peoples in Need" had been formed to administer distribution of food in connection with two million dollars being made available by him. Ludlow Kramer, Washington Secretary of State, will administer this new organization. Various distribution centers will be set up and food will be distributed to individuals based on requests of churches, charitable organizations, and other groups and individuals such as the Black Caucus formed by the Reverend Cecil Williams of the Glide Memorial Church, San Francisco, California. This organization reportedly will be operational by 2/22/74, and is similar to plan which has been in existence in the State of Washington for approximately three years.

FOR HER. SHE ADVISED THAT BOTH TAPES WERE SOMEWHAT DIFFICULT TO UNDERSTAND AND STATED THAT SPEAKER NUMBER ONE SEEMED TO HER TO BE AN INDIVIDUAL WITH AN "AFRICAN " ACCENT. GLORIA DE FREEZE STATED AFTER LISTENING TO BOTH TAPES, SHE HAD UNDERSTOOD ENOUGH OF THE TAPES TO SAY THAT NEITHER SPEAKER WAS THE VOICE OF SUBJECT DE FREEZE. HOWEVER, SHE QUALIFIED THIS BY STATING THAT SHE HAS HAD NO VOICE CONTACT WITH DE FREEZE SINCE 1969 AND MAY NOT BE IN A POSITION TO JUDGE THE TAPES.

GLORIA DE FREEZE ADVISED THAT SHE HAD HEARD TAPES PLAYED ON TV WHICH SHE WAS UNABLE TO IDENTIFY AS EX-HUSBAND AND DUE TO THIS, SHE MAY HAVE PRE-JUDGED THE TAPES PLAYED FOR HER THIS DATE. IT IS SPECULATED THAT SHE ALSO MAY HAVE COME UNDER INFLUENCE OF OTHER RELATIVES ASSOCIATES AND SUBJECT DE FREEZE'S MOTHER. TAPES WERE PLAYED BY NEWS MEDIA TO DE FREEZE'S MOTHER, MARY DE FREEZE, ON FEB. 15, 1974 AND SHE ADVISED AT THAT TIME THAT TAPES WERE NOT OF HER SON, DONALD.

[redacted] advised that [redacted] told him that this was the envelope in which the previously submitted cassette tape and letter had been received and which could not be located on 2/12/74, when the cassette and letter were furnished. [redacted] did not know how many or identity of any individuals at KPFA who had handled this envelope. It was handed to him inside another envelope and so was not touched by [redacted] or him at the time he received it from [redacted]. [redacted] would presume that at least [redacted] would previously have handled this envelope and possibly [redacted] KPFA, although [redacted] did not observe either of these individuals touching the envelope. He noted it was in KPFA's possession from the time it was received at approximately 9:30 a.m., 2/12/74, until it was handed to him at approximately 1:30 p.m., 12/13/74.

FBI Laboratory is requested to conduct in addition to latent fingerprint examination a comparison with other letters and envelopes previously submitted in this matter and any other logical appropriate examination.

Results should be furnished to San Francisco office and this envelope returned upon completion of examination for evidentiary use.

SUBJECT: HEARNAP

DATE: 2/16/74

Enclosed for the FBI Lab is a seven-inch reel tape recording that was received from WILLIAM RANDOLPH HEARST, III, 2015 Golden Gate Avenue, San Francisco, California, on 2/15/74.

HEARST in turn had received the tape from an unidentified employee of Radio Station KPFA, Berkeley, California, the same day.

The tape recording contains the voice of a female who identifies herself as NANCY LING PERRY. The tape also contains what appears to be one or possibly two unidentified black male voices. The recording runs approximately 25 minutes.

The Bureau is requested to make voice prints of the two male voices and compare them with the male voices appearing on the tape previously furnished the Bureau in this matter which also contained the voice of PATRICIA CAMPBELL HEARST.

Any information that the Lab could furnish concerning the comparison of these tapes would be appreciated. In both tapes, there are background noises and of course, if possible, we would appreciate knowing that if any opinion can be expressed as to whether the tapes appear to be made at the same sight or with the same machine. This tape may be retained at the Bureau.

ReSCairtel 2/15/74 forwarding four voice analysis tapes of the victim to the Laboratory.

For the information of San Francisco and Sacramento although the FBI Laboratory is aware of the technique the FBI Laboratory does not use the Psychological Stress Evaluator (PSE) or have personnel trained to review PSE tapes. It is obvious that the victim exhibited stress in certain areas of the tapes and Mr. Mallicoat's observations may be of general investigative value. It should be pointed out, however, that this technique has not been validated and is purely subjective impressions by the examiner. Recent findings of an extensive Army study of PSE indicate clear inferiority of voice analysis in its present state of development not only to the polygraph but also to judgments made on the basis of simply observing subject's behavior. The American Polygraph Association disapproves of this technique and the published training of PSE examiners consists of two to five days.

The tapes are being returned herewith to be delivered to Mr. Mallicoat in accordance with his request. His cooperation in this matter is appreciated. No Laboratory report is being submitted.

RE BUREAU TEL CALL FEBRUARY 20, 1974.

FOR INFORMATION BUREAU REFERRED TO NEWSPAPER ARTICLE INDICATING THAT FBI AGENTS HAD BROKEN INTO HOME OF MRS. GLORIA DE FREEZE IN HER DISTRICT AND SEARCHED THE HOUSE AND TAKEN TWO PHOTOS OF SUBJECT DE FREEZE. THE ARTICLE QUOTED MRS. DE FREEZE AS STATING SHE HAD CALLED THE CLEVELAND POLICE AND THEN THE FBI AFTER A NEIGHBOR TOLD HER FOUR MEN HAD BROKEN INTO HER HOME. IT FURTHER QUOTED HER AS SAYING A FBI AGENT TOLD HER THEY HAD ENTERED THE HOME AND HAD TAKEN HER HUSBAND'S PHOTOS.

BOTH CLEVELAND PAPERS, THE CLEVELAND PRESS AND CLEVELAND
PLAIN DEALER HAVE DISPLAYED A TENDENCY TO SLANT STORIES IN AN
ANTI-LAW ENFORCEMENT FASHION.

THE FACTS ARE AS FOLLOWS:

ON SATURDAY, FEBRUARY 9, 1974, UPON RECEIPT OF SAN FRANCISCO
TEL REQUESTING INTERVIEW OF SUBJECT DE FREEZE'S WIFE AND MOTHER,
AGENTS PROCEEDED TO THEIR RESPECTIVE RESIDENCES. NO ONE
RESPONDED TO REPEATED KNOCKING AT THE DOOR AT GLORIA DE FREEZE'S
HOME. A NEIGHBORHOOD INVESTIGATION LOCATED A [REDACTED]
WHO STATED THAT THERE HAD BEEN VERY SUSPICIOUS ACTIVITY AT
DE FREEZE'S HOUSE DURING THE LAST FEW DAYS, WHICH INCLUDED STRANGE
PEOPLE COMING AND GOING AT NIGHT PULLING INTO THE DRIVEWAY WITH
THE LIGHTS OF THEIR AUTO TURNED OFF. IN ADDITION, THIS [REDACTED]
INDICATED THAT GLORIA DE FREEZE HAD RECEIVED A TELEGRAM THE DAY
PREVIOUS WHICH COULD HAVE BEEN FROM SUBJECT DE FREEZE. IT WAS
ALSO UNUSUAL THAT GLORIA DE FREEZE AND ALL 6 OF HER CHILDREN WERE
ABSENT AS THE CHILDREN WERE USUALLY CARED FOR BY A BABYSITTER.

THE AGENTS RETURNED TO THE HOUSE, KNOCKED ON THE DOOR
AGAIN AND AGAIN NO ANSWER WAS RECEIVED. [REDACTED] CALLED
TO THE AGENTS ADMITTING THAT SHE KNEW THERE WAS SOMEBODY IN THE
HOUSE AT THAT MOMENT. SHE STATED THAT SHE HAD SEEN GLORIA LEAVE
END PAGE TWO

1000 PM
THAT MORNING, SHE INSISTED THAT THERE WAS SOMEBODY IN THE HOUSE
AT THAT TIME AND STATED THEY WON'T ANSWER THE DOOR. CLEVELAND
FD WAS NOTIFIED AND AGENTS AND OFFICERS SURROUNDED THE HOUSE AND
AGENTS THEN LOOKED SMALL WINDOW IN THE BACK DOOR GAINING ENTRY.
A SEARCH WAS MADE FOR THE SUBJECT AND HE WAS NOT LOCATED. NO
GENERAL OR EXPLORATORY SEARCH WAS CONDUCTED WHATSOEVER. THE
HOUSE WAS SECURED BY AGENTS SO ENTRY COULD NOT BE GAINED. AGENTS
REQUESTED THE [REDACTED] TO NOTIFY DE FREEZE UPON HER RETURN TO
HER RESIDENCE AND ALSO TO NOTIFY FBI..

MRS. DE FREEZE UPON LEARNING THAT AGENTS WERE LOOKING FOR
HER, IMMEDIATELY CONTACTED THE FBI OFFICE AND ADVISED SHE VERY
MUCH WANTED TO SEE THE AGENTS AND WOULD THEY PLEASE RETURN TO
HER HOME THAT SHE WOULD MEET THEM THERE.

AGENTS RETURNED WHEREUPON SHE EXPLAINED SHE HAD NOT SEEN
HER HUSBAND SINCE 1969 AND AT THE TIME OF HER LAST CONTACT WITH
HIM, HE TOLD HER HE WOULD KILL HER IF SHE DIVORCED HIM.
AND SHE ADVISED THAT HER DIVORCE WAS FINAL IN OCTOBER, 1973.
SHE STATED SHE LIVED IN ABSOLUTE TERROR OF FREEZE AND SOME
MEMBERS OF HIS FAMILY AND ALL OF HIS FRIENDS. IT SHOULD BE
NOTED THAT IN 1969 WHEN HE WAS ARRESTED IN CLEVELAND IN
CONNECTION WITH AN ATTEMPTED BR UNDER THE ALIAS OF STEVE
END PAGE THREE

ROBINSON THAT GLORIA DE FREEZE WAS THE PERSON WHO IDENTIFIED HIM AS DONALD DE FREEZE FOLLOWING HIS APPREHENSION IN CALIF. UNDER AN ALIAS WHICH IN EFFECT IDENTIFIED HIM AS THE PERSON RESPONSIBLE FOR THE ATTEMPTED BURGLARY IN CLEVELAND. MRS. DE FREEZE LIVES IN AN UP AND DOWN TWO FAMILY HOUSE. THERE IS ONE COMMON FRONT DOOR LEADING TO 2 INNER DOORS OFF A VESTIBULE. HER FIANCE LIVES UP STAIRS AND SHE RESIDES DOWNSTAIRS. SHE EXPLAINED THAT SHE TELEPHONED RECEIVED WAS FOR HER FIANCE AND VOLUNTEERED TO SHOW IT TO THE AGENTS, HOWEVER, IT WAS UNRELATED TO THIS MATTER. IT IS ALSO BELIEVED THAT THE SUSPICIOUS ACTIVITY IS EXPLAINED BY THE MUTUAL LIVING ARRANGEMENT OF MRS. DE FREEZE AND HER FIANCE. IT APPEARS THAT THIS TWO FAMILY HOUSE IS JOINTLY MAINTAINED BY BOTH TENANTS. THERE IS ALSO SOME EVIDENCE TO INDICATE THEY ENJOY SOME MUTUAL SOCIAL ACTIVITY INVOLVING THE ENTERTAINMENT OF THEIR VARIOUS FRIENDS AND ASSOCIATES.

MRS. DE FREEZE ASKED AGENTS IF THEY WANTED A PHOTO OF DE FREEZE AND THEN OBTAINED TWO PHOTOS FROM HER 1972 FAMILY ALBUM. AGENTS DID NOT TAKE THESE DURING A SEARCH AND WOULD NOT HAVE BEEN LIKELY TO LOCATE SAME IF THEY HAD CONDUCTED SUCH A SEARCH. MRS. DE FREEZE RE-EMPHASIZED THAT SHE WAS TERRIFIED

OF DONALD DE FREEZE AND WAS AFRAID FOR HER OWN CHILDREN. SHE
PLEGGED HER COMPLETE COOPERATION.

THE SEARCH OF HER HOUSE FOR DE FREEZE WAS EXPLAINED TO HER
AND TO HER FIANCE, WHO WAS ALSO PRESENT AND WHO IS A PART-TIME
POLICE OFFICER. BOTH STATED THAT IT WAS ABSOLUTELY UNDERSTANDABLE
AND THEY HAD NO COMPLAINT AND HER FIANCE STATED HE WOULD HAVE
DONE EXACTLY THE SAME THING. BOTH WERE EXCEEDINGLY COOPERATIVE.

THE PHOTOS WERE COPIED AND THE ORIGINALS WERE RETURNED TO
MRS. DE FREEZE THE FOLLOWING MONDAY.

ON SAT., FEBRUARY 16, 1974, UPON RECEIPT OF TAPES, AGENTS
PROCEEDED TO THE RESIDENCE OF GLORIA DE FREEZE WHERE THEY WERE
MEETED IN AN EXTREMELY HOSTILE AND PRACTICALLY HYSTERICAL
MANNER BY GLORIA DE FREEZE. IT SHOULD BE NOTED SHE HAD BEEN
SUBJECT TO EXTENSIVE HARASSMENT BY THE NEWS MEDIA ALL DAY FRIDAY,
FRIDAY NIGHT AND PART OF THURSDAY. NEWSPAPER REPORTERS AND
TELEVISION CAMERAMEN HAD BEEN ON HER PROPERTY AND ON HER FRONT
PORCH AND HAD BEEN ORDERED TO LEAVE WHEN ORDERED OFF THE PROPERTY.
ALL PERSONS TRYING TO ENTER OR LEAVE HER HOME WERE ASSAILED
WITH QUESTIONS BY THE NEWS MEDIA. HER CHILDREN WERE INTERVIEWED.
END PAGE FIVE

ONE OF THESE CHILDREN IS SLIGHTLY RETARDED AND HAS BEEN THE VICTIM OF HARASSMENT AND RIDICULE BY HIS SCHOOLMATES BECAUSE OF THE STORIES IN THE NEWSPAPER AND ON TELEVISION ABOUT THIS FATHER.

MRS. DE FREEZE WAS FINALLY PERSUADED TO AGREE TO LISTEN TO THE TAPES BUT ONLY AFTER GREAT PERSUASIVE ARGUMENTS WERE PUT FORTH TO SECURE HER COOPERATION. SHE WAS ASKED ABOUT THE ARTICLE IN THE NEWSPAPER AND SHE STATED THAT EVERYTHING THAT WAS PRINTED IN THE NEWSPAPER "WAS A LIE AND A DISTORTION" AND SHE WAS GOING TO SUE THE NEWSPAPER.

IT IS CLEVELAND'S OPINION THAT SHE TOLD THE MEDIA THE PICTURES WERE TAKEN BY THE FBI TO PROTECT HERSELF IN THE EVENT DONALD DE FREEZE OR A MEMBER OF HIS FAMILY SAW THE ARTICLE IN THE PAPER AND THOUGHT SHE WAS COOPERATING WITH THE FBI. SHE HAS STATED THAT SINCE ALL OF THE UNWARRANTED PUBLICITY, SHE HAS BEEN RECEIVING TELEPHONE CALLS FROM "ALL OVER, FROM CHICAGO AND NEW YORK AND EVERYWHERE." SHE DECLINED TO SAY WHO WAS CALLING OR WHY.

MRS. DE FREEZE CONTINUES TO DISPLAY A HOSTILE ATTITUDE TOWARD NEWS MEDIA.

Specimens received 2-21-74, personally delivered

Q1 White envelope bearing hand printed address [REDACTED]
[REDACTED] Atlanta, Ga 30030"

Q2 RCA C/60 Red Seal Cassette tape

Q3 White toilet tissue

Result of examination:

Q1 was not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

Nothing of significance was observed in comparing the hand printing on Q1 with the hand printing on items submitted in case captioned "HEARNAP" or in case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM"; although due to the presence of unexplained variations in portions of the questioned hand printing, a definite conclusion was not possible.

Two pieces of white adhesive tape, approximately one inch in width and five inches in length, exhibit torn and cut ends which are suitable for matching purposes.

Q1 and Q3 contain no watermarks, indented writing of significance or other characteristics to aid in definitely identifying their source. The hand printing on Q1 bears characteristics of having been prepared by a ball-point pen. Four eight cent U.S. Postal Service stamps torn from a sheet of stamps are affixed to Q1.

Q1 and Q3, which have been photographed, are attached. Q2 is being temporarily retained.

[REDACTED] telephoned FBIHQ and advised as follows:

[REDACTED] said that he had been doing considerable thinking about captioned matter and wondered why efforts could not be made to see if the two SLA prisoners in California (Russell Little and Joseph Remiro) who are incarcerated for the alleged murder of Doctor Marcus Foster, former Oakland, California, Superintendent of Schools, could not be given "truth serum" to determine more rapidly possible whereabouts of victim. It was pointed out to [REDACTED] that the two prisoners would have to volunteer to accept the serum and [REDACTED] indicated that he was merely furnishing the suggestion for whatever the FBI wished to do with it.

Bates to [redacted] bhardt memorandum
RE: HEARNAP

COOPERATION WITH LOCAL LAW ENFORCEMENT AUTHORITIES:

San Francisco Office (SFO) advised they continue to coordinate investigation with Berkeley Police Department which has interest in captioned matter and with Oakland Police Department (OPD) which has interest in SLA. OPD has developed voluminous information concerning SLA resulting from November, 1973, slaying of Oakland School Superintendent Marcus Foster. In addition, SFO is in frequent contact with Contra Costa County District Attorney's Office and Alameda County District Attorney's Office to insure there is no duplication of investigation. Agents are assigned in liaison capacity with these departments and investigative efforts are coordinated. There is free exchange of information between SFO and those departments bearing in mind that some information is so sensitive in nature, it cannot be disseminated at a particular time. State of California investigative authorities have offered facilities of their various bureaus including Identification Bureau, Computer Division, Department of Motor Vehicles, and all other facilities available to them which will assist in FBI's investigation.

UNLAWFUL FLIGHT TO AVOID CONFINEMENT INVESTIGATION CONCERNING
[redacted] AND DONALD DAVID DE FREEZE:

[redacted]

Investigation also continuing in effort to locate Patricia Michelle Soltysik, also known as Mizmoon Monique Soltysik, and ascertain her possible involvement in Hearnap. Soltysik, during late Spring, 1973, was closely associated with individual with whom SFO believes to be DeFreeze. Los Angeles Office has obtained photographs of Soltysik from her mother and they will be exhibited to witnesses and other logical individuals.

[redacted]

[redacted]

[redacted]

NANCY LING PERRY:

SFO further advised investigation continues regarding Perry in effort to determine her current whereabouts and to obtain additional handwriting specimens since Laboratory has indicated there is some similarity between handwriting and/or printing on envelopes received in this matter with that of the handwriting of Perry. FBI Laboratory will be requested to compare material recovered from Clayton, California, residence, where Perry and another SLA member resided, with handwriting contained on the aforementioned envelopes in order to effect an identification.

RANDOLPH A. HEARST, VICTIM'S FATHER:

SAC, SFO contacted Mr. Hearst 2/21/74, prior to his releasing cassette of 2/20/74. Mr. Hearst stated absolutely impossible for him to meet these demands and his reaction at that time was he may have to state this publicly, plead for his daughter's life and ask for public support of his position. He said he has not made up his mind as to his next statement and told press he would have no statement 2/21/74. In accordance with SLA demand, Jay Bosworth, Hearst's son-in-law, released cassette to news media late afternoon 2/21/74, indicating Mr. Hearst would not make any statement at that time.

Mr. Hearst continues to solicit advice of SAC, SFO and has indicated no decision will be made without prior consultation.

MANPOWER:

SFO advised in excess of 100 Agents being utilized in this case on practically full-time basis. Remaining Agent complement of SFO handling leads and other phases of investigative inquiry. Five Agents, including two Supervisors, assigned full-time basis during regular work day coordinating investigative efforts of Agent personnel and reviewing voluminous data gathered by SFO and other field offices on practically field-wide basis. This matter continues to be handled as a special under personal supervision of SAC. SFO advised 2/21/74, it appears that if this matter continues at present pace, SFO will require additional manpower to enable it to handle other investigative matters not connected with Hearnap. SFO indicated that another facet of this investigation is Bureau's intelligence-type investigation of SLA and every effort being made to afford this phase of the investigation appropriate attention and coordinate it with kidnaping investigation.

ACTION: For information.

SAC Bates, San Francisco, telephonically requested, 4:40 P.M., that examination be made of the second tape cassette submitted in this case to identify the background music thereon. SAC Bates was hopeful that if we could identify the music, contact of various radio stations might disclose a particular station whose log would show playing of this particular tune at a given time during the period of time between submission of the first and second tapes.

He pointed out that it might be possible, depending on the station identified and its range, to predict a relatively confined geographical range in which the recording was made.

SAC Bates was advised that every effort would be made immediately to comply with his request and that he would be promptly advised of the results.

The two men detained, in custody, should be able to give clues as to the hangout of the organization holding this Host, particularly U.S. 64th, whose father is anxious to cooperate. This is case involving kidnaping 2/4/74, of Patricia Campbell Hearst, aged 20, daughter of Randolph A. Hearst, President of San Francisco Examiner (SFE) Newspaper.

Attached advises City Editor, SFE, received telephone call from Reverend Cecil Williams, Glide Memorial Church, at approximately 9:30 p.m., 2/20/74, who advised he had received another tape from Symbionese Liberation Army (SLA). SFE reporter and photographer dispatched to Glide Memorial Church, picked up tape and brought it immediately to San Francisco Office (SFO).

Tape is Ampex cassette contained in plastic case and recording lasts approximately 20 minutes. Individual on tape identified himself as Field Marshal "Cin" who advised Hearst empire has attempted to mislead people by throwing "crumbs" to them. "Cin" stated Hearst plan unacceptable and listed ten demands including additional four million dollars for food which with two million dollars previously offered by Hearst totals six million dollars.

Other demands include distribution of top quality food in Cities of San Francisco, Oakland, and East Palo Alto, California, each family obtaining food under program receiving \$70 worth of food over one-month period, no names or identification of people coming to receive food be taken and no police be present at distribution points. New demand includes members of various groups be formed into coalition to distribute food and that WAPAC (Western Addition Project Area Committee--committee improvement group with known Black Liberation Army and extremist blacks associated with it in past) to chair this coalition. "Cin" also demanded transcription of tape be publicized fully in media, that six million dollars be committed within 24 hours and actual food distribution begin within one week. "Cin's" last demand indicated that once other nine demands are complied with and food distribution program underway, negotiations will begin for release of victim.

Tape ends with female voice stating "Today is the 19th and yesterday the Shah of Iran had two people executed at dawn." After reviewing tape, members of Hearst Family advised female speaking on tape is definitely Patricia Hearst.

Three letters, determined to be identical Xerox copies, recovered at three different telephone booths captioned "Open Letter to the People" are from group claiming to be ex-members of Symbionese Federation. Group claims to have resigned from Federation after assassination of Doctor Marcus Foster, former Superintendent of Oakland Schools. Contents of letter state ex-members of Symbionese Federation although agreeing with the ends the Symbionese Federation and SLA are attempting to achieve, do not believe that assassinations and kidnapings are methods to achieve those ends.

Evidence being prepared for transmittal to FBI Laboratory for processing. SFO requested Randolph A. Hearst, victim's father, to advise SFO of any statement Mr. Hearst plans to make prior to releasing contents of tape to press. SFO will advise Bureau immediately of Mr. Hearst's proposed comments.

[REDACTED] volunteered the information that it appeared to be quite a coincidence that he and PERRY would appear to have mutual friends. No further interview was conducted at this time.

The interviewing Agents immediately advised [REDACTED] they wished to interview him concerning his knowledge of NANCY LING PERRY. [REDACTED] consented to the interview and voluntarily furnished the following information:

[REDACTED]

[REDACTED] indicated that he first heard of NANCY LING PERRY in approximately the Spring of 1972, when [REDACTED] told him of a close friend from her high school days named LING. [REDACTED] indicated that LING was having problems with her husband, GILBERT PERRY. [REDACTED] indicated that LING was a white female, and GILBERT was a Negro. [REDACTED] also learned, at this period of time from [REDACTED] that LING had a boyfriend named ROBIN Last Name Unknown (LNU), who she was living with for a time at Berkeley, California.

[REDACTED] stated that in the Fall of 1972, he and [REDACTED] took an extensive trip, which included a visit to the Berkeley, California area. While there, they stayed one night with NANCY LING and GILBERT PERRY at their apartment. This is the only time that [REDACTED] ever met LING or PERRY.

Since this visit, NANCY has called [REDACTED] several times at Quogue, New York. In about the Spring of 1973, [REDACTED] sent NANCY \$200.00 as NANCY told her that she had purchased a stolen television set for her boss and when she received it, she found out that the television crate was empty. Since the boss was out the money, she wanted to pay him back. [REDACTED] believed

that NANCY might have called [REDACTED] once or twice since that time, but he is not aware of any recent contacts.

[REDACTED] stated that approximately one month ago, he received several phone calls from San Francisco newspapers in which he learned that NANCYLING PERRY had given him as a reference when she rented a house in Concord, California. The newspaper reporters wanted to know what his association was with NANCY.

[REDACTED] stated that NANCY gave his name as a reference without his permission and his entire association with her has been through [REDACTED]. He has no idea of NANCY's present whereabouts and he does not believe that [REDACTED] knows where she is. He stated he was not aware that NANCY was politically involved and he certainly knows nothing of the HEARST kidnapping.

[REDACTED] promised the cooperation of both himself and [REDACTED] and indicated he would immediately call the Federal Bureau of Investigation (FBI) if they heard anything from NANCY.

The interviewing Agents promptly advised [REDACTED] that they wished to interview her concerning her association with NANCY LING PERRY. [REDACTED] consented to the interview and voluntarily furnished the following information:

[REDACTED]

[REDACTED] She and NANCY LING PERRY, who she refers to as LING, met at [REDACTED] in Santa Rosa, California.

[REDACTED]

[REDACTED] LING, in turn, moved to Whittier in the fall of 1965, when she began attending Whittier College. It was at this time that their friendship became closer.

LING lived on the campus at Whittier College and occasionally stayed with [REDACTED] at her apartment [REDACTED] Whittier, California. LING was not happy at this college; however, and by June of 1966, she decided to go to the University of California at Berkeley, California. She started at Berkeley in September, 1966.

[REDACTED] During this two year period, she and LING corresponded fairly frequently. She believes that it was during this period of time that NANCY married a Negro male named GILBERT PERRY. LING told her that she did not tell her parents that she and PERRY were married as she knew they would object. She stated she wanted to remain friendly

with her parents as she needed them to pay her tuition. LING eventually got her Bachelor of Arts (BA) Degree in English at Berkeley in about August, 1969, and when her parents did find out about PERRY, they promptly disowned her.

[REDACTED], in about the Spring of 1968, she visited LING at Berkeley on one occasion and also met PERRY for the first time. At that time, they were living on McKinley Avenue in an apartment. She believes that PERRY was a student at the San Francisco Conservatory of Music.

[REDACTED] LING was attending the San Francisco State College for her teaching credentials and was also a teaching assistant at a progressive elementary school, in Mill Valley, California.

[REDACTED] the Spring of 1971. During this period of time, LING was having a great deal of problems with her husband as he was away from home on numerous occasions, did not work, and apparently kept several mistresses. LING was living at an unknown address in Berkeley and also stayed for a while with GILBERT's mother, NOVEL PERRY, in Oakland, California. She then moved to an apartment on Divasadero Street off Haight Street in San Francisco. The apartment was located above a barbecue restaurant. During this period of time, she was employed as a Blackjack Dealer for Chrystal Lil's and also worked for some wholesale linoleum floor covering outlet. [REDACTED] and LING actually lived with one another on Divasadero Street from about January of 1971, until about May of 1971.

[REDACTED] also knew LING, but [REDACTED] does not think he has kept up any association with her. While they were living together, LING and GILBERT PERRY were still having their problems

NY 7-1976

and he would stay at the apartment only occasionally. The couple never had any children and [REDACTED] is of the opinion that LING is incapable of bearing children.

[REDACTED] May of 1971, she continued her correspondence with LING. LING told her that she moved out of the Divasadero Street apartment back to Berkeley. She initially indicated that she was interested in a two year graduate course at Berkeley which had something to do with a Paramedical Program. LING apparently did not do well with this program and later rejected it. It was also about this period of time that LING told her that she was working for Rudy's Orange Juice Stand in Berkeley as a waitress. She often wrote to [REDACTED] about RUDY and apparently thought very highly of him. [REDACTED] is of the opinion that LING may have been having an affair with RUDY although there was some indication that RUDY was a good bit older than LING.

[REDACTED]

During the Thanksgiving Holidays of 1972, [REDACTED] took an extensive trip and included Berkeley on their itinerary. They visited LING who was living in a different apartment on McKinley Street in Berkeley. They stayed with LING that night and GILBERT was also at the apartment. LING told [REDACTED] that she was still with RUDY and also was employed at the University in a work-student program where she worked in a laboratory. This is the last time that [REDACTED] actually saw LING.

6

NY 7-1976

4.

In the Spring of 1973, [REDACTED] received several letters from LING and for the first time she mentioned that she was visiting prisoners and was active in a group which was concerned with prison reform. In the Spring of 1973, she also received a telephone call from LING in which LING told her that she had talked RUDY into purchasing a stolen television set for \$150.00 and when they opened the crate for the television set, they determined it did not contain a television. She wanted to repay RUDY so [REDACTED] sent her \$200.00 in cash.

In the early Summer of 1973, she called [REDACTED] back to tell her she could not repay the \$200.00 yet. [REDACTED] advised her, at this time, to leave Berkeley and PERRY and to visit [REDACTED] LING stated she would think about it.

[REDACTED] received her last letter from LING in the Summer of 1973, at which time she stated she was trying to divorce PERRY, but did not have the \$30.00 to file divorce papers. This is the last letter or communication of any kind that [REDACTED] has had with LING.

[REDACTED] stated that LING has always been politically concerned which she doubts very sincerely that LING would be involved in any kidnapping or murder. She never heard LING speak of anyone in the HEARST family nor did she know LING to be involved in any radical group. CURTIS stated that LING was not at all violent in her temperament and it would be very much unlike her to be involved with people of violence.

[REDACTED] stated that for the past several years, LING has been very deeply into drugs, particularly "acid" and "cocaine". In one of the letters received from LING last year; however, LING indicated she had stopped taking drugs.

[REDACTED] knows that besides GILBERT PERRY, LING has slept with a great many men over the past several years. She particularly mentioned that in about 1971 or 1972,

NY 7-1976

5.

she was deeply involved with an English teacher at Berkeley named ROBIN Last Name Unknown (LNU).

[REDACTED] furnished interviewing Agents with the four most recent letters she has received from LING last year. Also included with these letters was a snapshot of NANCY LING PERRY, apparently taken in the Summer of 1973.

[REDACTED] address book reflects the following addresses for LING:

2407 B McKinley
Berkeley, California
843-1664

295 Jayne Avenue
Oakland, California
465-2055
(\$200.00 sent to this address)

[REDACTED] described NANCY LING PERRY's family background as follows:

Parents	HAL and MARJORIE LING Santa Rosa, California
Older Brother	GARY LING 259 Colusa Kensington, California
Younger Brother	KENNY LING with parents

[REDACTED] stated that LING also had an aunt she was close to, possibly named EDNA, in Oakland or Berkeley, California. She also mentioned that she was close to an interracial couple. The white female was named MARGUERITE but the Negro male is unknown to [REDACTED]

As a result of the discussion of captioned case at the Executives' Conference today, several suggestions were made that appeared to have merit and should be considered by the San Francisco Office.

I, therefore, contacted SAC Bates at 1:45 p.m. today and advised him of the suggestions and observations. I emphasized to Bates, however, that these matters were strictly in the nature of suggestions.

(1) Consideration should be given to engendering into the mind of Randolph Hearst, the father of the victim, perhaps that he should be more aggressive and demanding as time goes on with the ultimate objection of protecting the life of the victim. It appears that if he "lays down and plays dead" everytime a demand is made, eventually the subjects will carry their demands to the point where they cannot be met.

(2) In our contact with Randolph Hearst we have to condition him to the possibility that the FBI will eventually have to rescue the victim by a show of force. When such a time comes, we do not want to be in a position of having to argue with him since we certainly want his concurrence in the action we would take. Mr. Bates said this matter had already been discussed and he feels confident as a result of his discussion if the facts indicate at the time that such a course of action would be the only way to save his daughter, that Hearst will agree to such a course of action. He said this is particularly true with Mrs. Hearst although he feels confident Mr. Hearst will agree if the facts so indicate.

(3) It is entirely possible ultimately that the demand will be that the two SLA members already in jail for the murder of the superintendent of public education be released in exchange for the life of the victim. If the State of California refuses to release these two subjects, the question arises what course of action the FBI should take. Mr. Bates said he had already discussed this observation with Mr. Lowell Jenson, District Attorney,

RE: HEARNAP

Oakland, California, who has the responsibility for the prosecution of the two subjects in jail. Jenson has already stated privately that there is no way the two subjects will be released regardless of who makes the demand. Bates continued that if such a demand is made, Mr. Hearst will just have to take the position that there is nothing he can do for the release of these two subjects.

(4) In our effort to solve this case no stones should be left unturned and Mr. Bates was advised Mr. Kelley recognized it might be necessary to "go immediately" since the element of surprise is mandatory on a rescue type operation.

(5) All of the members of the Executives' Conference were requested to think about this case and in the event any positive thoughts or suggestions come to mind, they should contact Mr. Bates and make such suggestions available to him. We should do everything possible at this time to prevent crises prior to such occurrence.

(6) It was suggested consideration be given to administering a polygraph examination to victim's fiance Stephen Weed. Mr. Bates advised a few days ago in conversation with Mr. and Mrs. Hearst he suggested to them utilization of sodium pentothal since it is possible he may have forgotten some pertinent bits of information. Mr. and Mrs. Hearst were very receptive to this idea and said they would contact Stephen Weed and would then get back to Mr. Bates. Bates has not heard from them as of this writing but will follow up on them. Bates thought the utilization of sodium pentothal would be a better vehicle rather than the polygraph at this point.

(8) In his discussion with Mr. Hearst it was suggested to Mr. Bates consideration should be given to demand through the news media to the kidnapers that Hearst wants a direct contact by telephone so he can discuss this matter more intelligently.

RE: HEARNAP

(9) If a direct contact is developed, a photograph of the girl should be demanded by Hearst.

SAC Bates was very appreciative for these suggestions and he stated that every consideration will be given to each and every one.

The purpose of this memorandum is to provide information from Bureau files concerning Reverend Albert Cecil Williams, Minister of the Glide Memorial Methodist Church, San Francisco, California.

Williams was reportedly contacted 2/16/74 by the SLA and received instructions on retrieval of a tape recording from a downtown bus terminal locker, San Francisco, California, containing a message to the parents of kidnap victim Patricia Campbell Hearst. Williams is one of individuals being considered by the Hearst family to act as negotiator between the Hearst family and the SLA in working out details of a \$2 million food distribution plan for welfare recipients in California as evidence of good faith in attempt to obtain the release of Patricia Campbell Hearst.

BACKGROUND DATA: Williams was born 9/22 or 9/26/29, San Angelo, Texas. He graduated in 1948 from Blackshear High School in San Angelo. He received a BA Degree, 5/25/52, from Samuel Huston College, Austin, Texas (now known as Huston Tillotson College). On 5/30/55, he received Bachelor of Divinity Degree from Perkins School of Theology at Southern Methodist University, Dallas, Texas.

FEB 28 1974

ACTIVITIES: The 1/3/65 edition of "The San Francisco Chronicle" identified Williams as one of several ministers of different denominations which sponsored a private benefit "attended by nearly 600 homosexuals and their friends." Williams served as chairman of the Committee United for Political Prisoners organized late 1969 to provide legal defense for "political prisoners." During 1969-1970 Williams was active supporter and source of funds for the violence prone Black Panther Party organization. In 6/70, he served as intermediary between a Black Panther Party leader and visiting African and Indian diplomats interested in getting the pulse of the black movement.

Re: SYMBIONESE LIBERATION ARMY (SLA)

In 3/71, Williams acted as master of ceremonies at rally for the defense of Angela Davis, self-admitted member of the Communist Party (CP), U.S.A., who was charged with murder, kidnapping, and conspiracy as result her involvement in an 8/70 abortive escape of black prisoners at the Marin County Courthouse in which four persons were killed. During same month, Williams allegedly paid rent for the headquarters of the Angela Davis Defense Committee.

During 3/72 speech at the University of Arizona, Williams spoke on abolishment of prisons and claimed prisons were invented to house members of minority races and poor whites. During speech, he referred to Angela Davis as "a black Joan of Arc." In 3/72, he identified himself as the "spiritual advisor" of Angela Davis. On 5/4/73, Williams was main speaker at demonstration in San Francisco held to support members of American Indian Movement (AIM) involved in takeover of Wounded Knee, South Dakota. Williams called for support of AIM personnel at Wounded Knee and criticized the U. S. Government.

Williams is known to have involved himself in various antiwar activities late 1969 and early 1970.

EVIDENCE

San Francisco Examiner/Chronicle

We are ex-members of the Symbionese Federation. We resigned collectively from the Federation immediately after the assassination of Dr. Marcus Foster. We had intended simply to dissociate ourselves from the SLA in practice, by ceasing to work with them. Since the kidnapping of Patricia Hearst and the publication of the Declaration, however, we feel compelled to make a public statement concerning our criticisms of the SLA and our history with the Federation, because of their destructive misrepresentation of the revolutionary movement. The obvious first step is to deal with the SLA's tragic misuse of violence.

The revolutionary role of "necessary" violence is the opposite of what the SLA believes, and practices, as recently, where they decided, separately from the rest of the Federation, to murder Foster. Violence alone cannot begin a revolutionary practice, but only the failure of that practice: useless self-sacrifice. Violence, when necessary, can support revolutionary strategy, but never originate or justify it.

By resorting to abstract violence, the SLA not only separated itself from the rest of the revolutionary movement, but became the example to avoid, the stereotype of the "mad terrorist" so indispensable to our oppressors to put us down even more with new laws and restrictions. The surest way to dictatorship is a revolutionary movement represented by provocateurs. However, we have not given and will not give information regarding our location or the location of the SLA to the authorities, for the following reasons:

- 1) While we no longer consider the SLA to be a genuinely revolutionary organization, we are no friends of Randolph Hearst or the class to which he belongs, that is, the class which owns and controls the means of life -- the factories, land, schools, communications; and much of the housing -- in the United States, and throughout the world.
- 2) We are fully aware of the biased and politically repressive nature of the "justice" system which would use our past connection with the SLA to frame us for the revolutionary movement and halt our activity.
- 3) We are in hiding since the split, expecting reprisals from the SLA.

We joined the SLA separately, not knowing each other at the time, but for similar reasons, as we later discovered, namely, that we could no longer tolerate the quality and conditions of our private and public lives -- repressive education that was no more than an assembly line for making obedient slaves, boring and humiliating jobs, declining standards of living, and a polluted, ugly environment. And, as far as we could see, things were getting worse. All the reforms we fought for in the '60's had failed, or been taken back, and were inadequate to start with. All of us were frustrated with the divided factions of the so-called revolutionary left. That movement was based on guilt, on always making the revolution for somebody else, in the name of somebody else's oppression, supposedly greater than our own. It was dominated by egotistical leader-bureaucrats and leader-stars who cared only about their "revolutionary" careers. They led a mass of follower-lackeys who proved their own secretitude by tolerating and in fact creating such leaders. The confusion of anti-war groups, sexual liberation groups and national liberation groups were all present in the image of militant opposition, but we wanted to do more than merely talk back to the TV screen. We were looking for brothers and sisters who felt as urgently as we did that the time to seize back our lives was now. The Symbionese people we contacted were self-disciplined, serious and efficient revolutionary cadres, willing to risk anything in order to gain everything. When we joined in the first founding conference of the Symbionese Federation last June, we thought we had found a place for ourselves in a revolutionary organization that was on its way beyond the left, old and "new". We joined in August.

During the early stage of the writing of the original Declaration of the Symbionese Federation -- not the same one that the SLA had published in the papers -- basic

required serious thinking -- a clear and comprehensive theory and strategy -- others insisted that all that was necessary was to put yourself into situations where you would get kicked and armed bravery would do the rest. Some of the brothers and sisters were complaining about the lack of democracy within the organization. The justification for this was always that we were in a "state of war."

It increasingly became apparent to us that the Sympathetic Federation was not fundamentally opposed to the errors of the Left we had known, but was rather the culmination of all its defects. The process of the organization was totally top-down. The War Council made decisions in secret and the members were expected to obey orders without question, just as in a capitalist army.

Serious conflict developed over the subordination of the support units, as of non-military activities of the organization, to the combat units: that is, the "Army" came to be seen as the chief agent of the revolution. We began to suspect that the War Council was manipulated either by some local right-wing organization or the CIA itself. The secret decision to kill Marcus Foster, and its execution, confirmed our suspicions.

The kind of revolution we've come to see as necessary has nothing to do with a "Army" of the type the SLA worships. The world economy is entering a depression like of which has not been seen before. People are finding out that Poppa the capitalist and Momma the State are not going to deliver the goods anymore: no meat, no gas, and maybe no bread. If the goods are going to get delivered, it has to be us, "ordinary working people, who deliver them to us; who take over and run the closed-down farms, bakeries, and refineries, etc., and deliver the goods to ourselves. That is the revolution: when we take over the economy, our communities, and all of society, and run them on our own behalf. If we only look for another Mommy or Daddy to do it for us -- a Fascist Party, a "Communist" Party, an SLA -- we will just put ourselves back where we started, only worse off -- living under a total police state.

The irony of the SLA kidnapping is this: that the life of yet one more human being is traded for the barest necessities of survival. Patricia Hearst is being exchanged for what amounts to a temporary raise in state food stamp allotments. As revolutionaries, we are not interested in just an extension of the welfare system, whether "radically" administered or otherwise. But it is not a desire for more revolution that led our brothers and sisters into the course of action they have chosen. Every day, all of us experience the dehumanization of being kidnapped: of having to sell our labor power -- our very life blood -- up for ransom, to a boss, in order to pay for our survival; in order to be able to work again the next day. This should dissolve once and for all the naive assumptions about human conditions, specifically with regard to who is really proletarian; and should reveal the missionary nature of the SLA's slogan "our interest is to serve and defend the people". The "people" (i.e., the proletariat) is anyone who has no power over their activities and the uses to which they are put, because they must sell them to somebody else. This does not refer to those benevolent "servants of the people" whose "real wish is not the power of the proletariat but their power over the proletariat, whether they be white, black, brown, yellow or red bureaucrats. Just look at China, Russia, and Cuba. In respect, life there is the same as here: you take orders; you work for somebody else. These countries are still capitalist, only there, the state is the capitalist!!

Once we are running things for ourselves, instead of following orders from the people who extort our time -- producing what they tell us, how they tell us -- we can start to remake the world in the way we want it to be. The SLA idea of "separate sovereign Nations" is backward and bourgeois. We will have to plan production on a world-wide scale to get what we want; what people all over the world use every day already comes from all parts of the world, not just their own part. But it is vital that we keep control over what is planned and what is produced, and not give up this power to some new bureaucracy. This means that we will have to organize on the basis of councils -- assemblies of all the people concerned in communities, factories, offices, farms, etc., which make all decisions which concern themselves alone, and

coordinate larger decisions by sending deputies to city, state and regional councils, and finally to a world council. These deputies must not be representatives, elected on the basis of personal popularity, to make decisions for us, but should be selected to carry decisions already made by the workers' assemblies to the city, regional, and world coordinating councils. The assemblies must be able to recall the deputy right away if he or she deviates from those decisions.

In conclusion, we want to say that the revolution will not be made by an army, no matter how well-intentioned or well-organized, any more than by a "revolutionary party". The brothers and sisters of the SLA are on the wrong road, a road that leads to sacrifice and defeat. Political power does not come primarily out of the barrel of a gun, but out of control over the means of production and out of new social relationships.

The revolution must oppose all nationalism, because national "independence" in the modern world is a myth. Instead, we stand for the interdependence of working humanity, which is already a concrete fact. The freedom we will discover in overthrowing capitalism and in running society together goes far beyond any "national freedom".

Revolution is the consolidation and creation of new social relationships, new ways of producing and living socially. The SLA believes that kidnapping and assassinating individuals is "doing something", is "practical". To remove a person from his social relationships by assassination does not necessarily change those relationships; somebody else just steps in to fill his place. "The voice of guns" alone cannot substitute for the voices of the working people speaking "the words of freedom", nor for their hands and brains in acting upon those words.

Handwritten signature and number 5714

For your assistance, some similarities were observed in comparing the hand printing on Q45 and Q48 with the hand printing on items submitted by the Oakland, California Police Department (OPD) in the SLA case which are described in Laboratory report to OPD dated 2/5/74 as K7, a black address book; Q42, a sheet of paper with typewriting and hand printing; on two pages with writing beginning "AMMONIUM NITRATE" and "RIFLE PRIMERS" in notebook designated Q43; Q46, a green spiral notebook; Q52, sheet of paper; Q57, sheet of paper; Q59, two-page paper; and Q60, a green notebook. Also some general similarities were observed in comparing the available writing of NANCY LING PERRY with portions of the above described questioned writing.

Additional writing by PERRY may be of value for future comparison. San Francisco should attempt to obtain voluminous additional known writing of PERRY, both handwritten and hand printed, showing similar letters and letter combinations as appear in the questioned writing. Also, additional writing of PERRY should have been prepared as contemporary as possible to the questioned writing.

It will be necessary to have additional voluminous handwriting and hand printing by EMILY HARRIS, comparable to the questioned writing, before a more adequate comparison can be made with the questioned writing.

described envelope, Q48**

writing of NANCY LING PERRY**

Specimens received **2/17/74 from SAC, Indianapolis**

**K5 Envelope and one-page letter bearing purported writing
of EMILY HARRIS**

**K6 Two-page typewritten letter purportedly typed by
EMILY HARRIS on typewriter at place of employment**

Result of examination:

**Characteristics observed indicate that the questioned
hand printing on Q45 and Q48 may have been prepared by the
same person or persons.**

A definite conclusion was not reached whether the questioned hand printing on Q45 and Q48 was prepared by the writers of the questioned writing on items previously submitted in this case, items submitted in the case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" or the case captioned "AUGUST SEVENTH GUERRILLA MOVEMENT (ASGM) EM," due to the lack of sufficiently comparable writing and the presence of unexplained variations.

A definite conclusion was not reached whether the questioned writing in this case, the SLA case or the ASGM case was prepared by NANCY LING PERRY, purported writer of Kc4 in this case and item K4 in the SLA case or by EMILY HARRIS, purported writer of K5, due to the presence of unexplained variations and the lack of sufficiently comparable known writing.

The conclusion was reached that the typewriter used to prepare K6 was not used to prepare the questioned typewriting on items submitted in this case, the SLA case or the ASGM case.

The Q45 and Q48 manila envelopes are similar in physical characteristics. The writing on Q45 and Q48 bear characteristics of fiber-tipped pens or markers.

Q45 and Q48 contain no watermarks, indented writing of significance or other characteristics to aid in definitely determining their source. Six eight cent U. S. Postal Service stamps, torn from sheets of stamps, are affixed to both Q45 and Q48.

Two red fibers were found entangled in the metal fastener of Q48.

Kc4 is retained. The other submitted items are being returned separately.

RE SAN FRANCISCO TELETYPE TO BUREAU FEBRUARY 21, 1974,
WHICH WAS IN REGARD TO THE TAPE OBTAINED FROM "SAN FRANCISCO
EXAMINER" [REDACTED] WHO HAD IN TURN RECEIVED IT
FROM CECIL WILLIAMS, GLIDE MEMORIAL CHURCH. IN FUTURE
COMMUNICATIONS, THIS TAPE WILL BE REFERRED TO AS THE LIBRARY
CASSETTE, FEBRUARY 20, 1974.

THE FOLLOWING IS A SUMMARY OF THE MESSAGE ON THIS TAPE:

A MALE VOICE SPEAKS AND IDENTIFIES HIMSELF AS GENERAL
FIELD MARSHALL CIN AND INDICATES THAT THE SYMBIONESE WAR
COUNCIL HAD FINISHED HEARING TAPES AND READING NEWS REPORTS
AND STATEMENTS MADE BY THE HEARST FAMILY CONCERNING THE ARREST
OF PATRICIA CAMPBELL HEARST.

IN THE COURT'S SECOND TAPE BY PATRICIA, IT WAS STATED
THAT ANY GOOD SUGGESTION ON THE PART OF THE HEARST EMPIRE
WOULD BE BASICALLY OKAY. THE VOICE CONTINUES THAT THEY UNDER-
STAND THAT PATRICIA WANTS TO GO HOME, BUT THE STATEMENT COULD

HAVE BEEN MISINTERPRETED AS MEANING THAT AN UNTRUE GESTURE OF GOOD FAITH AND REGRET WOULD BE ACCEPTED BY THE PEOPLE, AND THIS IS NOT THE CASE. THE VOICE THEN STATES THAT HE CLARIFIED THE FEELINGS OF THE COURT, AND THE REQUEST OF THE PEOPLE AT THE TIME OF THE TAPE MADE BY PATRICIA. THE VOICE INDICATES THAT THEY WISH TO CLARIFY WHAT PATRICIA SAID, AND THAT THEY ARE QUITE ABLE TO ASSESS THE EXTENT OF MR. HEARST'S SINCERITY IN THIS MATTER, AND THEY WILL ACCEPT A SINCERE EFFORT.

THE VOICE CONTINUES THE HEARST EMPIRE HAS ATTEMPTED TO MISLEAD THE PEOPLE AND TO DECEIVE THEM BY CLAIMING TO PUT FORTH A GOOD FAITH GESTURE, BUT RATHER IT IS AN ACT OF THROWING A FEW CRUMBS TO THE PEOPLE.

THEY INDICATE THEY HAVE HAD A COURT HEARING CONCERNING THE ACTIONS OF THE ENEMY HEARST FAMILY, AND THE HEARST EMPIRE, AND THEY HAVE CHOSEN TO EXPOSE A SAMPLING OF THE EXTENT OF THE HEARST EMPIRE.

END OF PAGE TWO

PAGE THREE

THEY GO ON TO LIST THE HEARST WEALTH INCLUDING SILVER MINES, LAND IN MEXICO, HAWAII, TIMBERLAND IN NORTHERN CALIFORNIA, A CATTLE RANCH NEAR SAN LUIS OBISPO, ORANGE GROVES IN FLORIDA, A DUCK CLUB, HOMES IN HILLSBOROUGH, NEW YORK, AND SAN DIEGO, PERSONAL STOCKS IN IBS, BEATRICE FOODS, EXXON, SUGAR BOWL CORPORATION, SAFEWAY STORES, UNITED AIRLINS, HUGHES AIRWEST AND OTHERS.

THEY LIST MISCELLANEOUS PERSONAL ITEMS SUCH AS ANTIQUE PAINTINGS AND OTHER ART OBJECTS, SOME OF WHICH WERE GIVEN BY THE SHAH OF IRAN. THEY INDICATE THAT THE HEARST FOUNDATION SERVES THE TAX LOOPHOLE FOR THE HEARST FORTUNE. THE FOUNDATION DONATES AN ESTIMATED THREE MILLION DOLLARS A YEAR THROUGH CHARITY TO MAINTAIN ITS LEGAL STATUS AS A FOUNDATION. THE ONE AND ONE HALF MILLION DOLLARS PROPOSED TO BE COMING FROM THE FOUNDATION IS NOTHING MORE THAN HALF OF WHAT THE FOUNDATION IS REGULARLY REQUIRED TO DONATE ANNUALLY IN ORDER TO MAINTAIN ITS FOUNDATION STATUS.

END OF PAGE THREE

3

SF 7-855

PAGE FOUR

THEY CONTINUE REGARDING THE HEARST FORTUNE AND POINT OUT THAT COSMOPOLITAN MAGAZINE REACHED PROFITS OF TWENTY EIGHT MILLION DOLLARS PER YEAR. HOUSE BEAUTIFUL REACHED PROFITS OF THREE TO FOUR MILLION DOLLARS PER YEAR. THEY ALSO MENTIONED THAT THE HEARST CORPORATION IS COMPOSED OF A CHAIN OF TV STATIONS, FILM INDUSTRIES, LUMBER COMPANIES, LARGE STOCKHOLDINGS IN GM, OWNERSHIP OF A SQUARE BLOCK IN DOWNTOWN NEW YORK, WITH THE LAND ALONE VALUED AT HUNDREDS OF MILLIONS AS WELL AS LAND AND BUILDINGS ABROAD. THEY INDICATE THAT THE TOTAL OF THE HEARST EMPIRE RUNS INTO HUNDREDS AND HUNDREDS OF MILLIONS.

THEY INDICATE THAT EVEN IF HE WERE TO GIVE ALL OF THAT TO THE PEOPLE, BECAUSE OF HIS PERSONAL FRIENDS HE WOULD SUFFER NO LOSSES. HOWEVER, EVEN IF HE WERE TO GIVE IT ALL TO THE PEOPLE HE COULD NEVER PAY THE PEOPLE BACK FOR PAST LOSSES FOR THE CHILDREN AND THEIR FREEDOM.

THEY POINT OUT THAT IT IS IN THE DIRECT INTEREST OF

HEARST TO COMPLY WITH THE DEMANDS FOR FOOD BECAUSE HE MUST SECURE AND PROTECT ONE OF HIS POSSESSIONS, HIS DAUGHTER PATRICIA.

THEY CONTINUE THAT WHEN THE STATE AND ENEMY CORPORATIONS WISH TO AID COUNTRIES IN SECURING LEADER DICTATORSHIPS WHICH ROB AND MURDER THE PEOPLE, NO LAWS ARE HONORED. THEY USE AS AN EXAMPLE THE WATERGATE SCHEME AND THE U.S. DELIBERATE VIOLATION OF THE UNITED NATIONS SANCTION OF INTERNATIONAL EMBARGO OF RHODESIAN GOODS.

THEY CONTINUE REGARDING THE FACT THAT THE U.S. HAS THE LARGEST NUMBER OF LAWS TO CONTROL THE PEOPLE AND A LARGE NUMBER OF PRISONS, AND THEY STATE THAT THE PLAN PROPOSED BY MR. HEARST IS NOT AT ALL ACCEPTABLE AS A GESTURE OF GOOD FAITH IN THIS PRESENT FORM, AND THAT IT WILL BE ACCEPTABLE ONLY IF HE MEETS THE FOLLOWING SPECIFICATIONS:

(1) THAT AN ADDITIONAL FOUR MILLION DOLLARS BE ADDED TO THE TWO MILLION DOLLARS ALREADY ALLOTTED.

END OF PAGE FIVE

(2) THAT THE TOTAL SIX MILLION DOLLARS BE DISBURSED.
TO THE CITIES OF SAN FRANCISCO, OAKLAND, AND EAST PALO ALTO.

(3) THAT THE FOOD BE OF TOP QUALITY.

(4) THAT SEVENTY DOLLARS BE GIVEN OVER A ONE MONTH
PERIOD TO EACH FAMILY COMING TO RECEIVE FOOD, AND THIS IS
TO BE DONE IN THE FIRST MONTH OF THE PROGRAM. THEY CONTINUE
ON ABOUT HOW THE PEOPLE IN AT LEAST SEVEN COMMUNITIES SHOULD
BE ABLE TO RECEIVE THE FOOD DURING THE ONE MONTH PERIOD.

(5) NO NAMES OR ADDRESSES SHOULD BE TAKEN FROM PEOPLE
WHO COME TO RECEIVE FOOD.

(6) THAT THE MEMBERS OF THE COALITION AND PEOPLES
COMMUNITY ORGANIZATIONS BE MADE UP OF NOT ONLY THE SIX ORGAN-
IZATIONS NAMED BUT OF ANY PEOPLES ORGANIZATIONS WHO WISH TO
PARTICIPATE WITH SAN FRANCISCO'S WESTERN ADDITION PROJECT AREA
COMMITTEE ACTING AS CHAIRMAN, AND THAT THIS COALITION ACT AS
OBSERVERS AND COORDINATORS AND NOT NEGOTIATORS BETWEEN THE
SLA COMBAT FORCES AND MR. HEARST.

(7) THEY REQUEST THAT THE SAN FRANCISCO WESTERN ADDITION
PROJECT AREA COMMITTEE BE DESIGNATED IF THEY ACCEPT THE REQUEST

AS CHAIRMAN OF THE COALITION AND HOLD FULL VETO POWER ON THE ACTIONS AND ACTIVITIES OF THE COALITION.

(8) THAT THIS TAPE AND TRANSCRIPT SHALL BE PUBLISHED AND PRINTED IN FULL.

(9) THAT THE SIX MILLION DOLLARS BE ALLOTTED TO THE PEOPLES IN NEED WITHIN TWENTYFOUR HOURS OF THE RECEIPT OF THIS ORDER, AND THAT THE FOOD BE AVAILABLE TO THE PEOPLE WITHIN ONE WEEK OF THE RECEIPT OF THIS ORDER AND SHOULD THE ORDER BE REJECTED, ALL FURTHER COMMUNICATIONS SHALL BE SUSPENDED, AND THE PRISONER WILL BE MAINTAINED ACCORDING TO THE TERMS OF THE INTERNATIONAL CODES OF WAR CONCERNING PRISONERS OF WAR AND WILL BE MAINTAINED IN THAT STATUS UNTIL SUCH TIME AS THE STATUS OF OUR CAPTURED SOLDIERS IS CHANGED.

SHOULD ANY ATTEMPT BE MADE TO RESCUE THE SUBJECT PRISONER OR TO INJURE OR CAPTURE OUR CAPTIVE SOLDIERS, SUBJECT PRISONER IS TO BE EXECUTED IMMEDIATELY.

ARE UNDERWAY THEY WILL BEGIN TO NEGOTIATE FOR THE RELEASE OF THE VICTIM.

THEY CONTINUE ON ABOUT THE REFUSAL OF SOME POLITICAL ORGANIZATIONS TO OVERSEE THE DISTRIBUTION OF FOOD, AND THAT THEY UNDERSTAND THIS.

THEY CONTINUE TALKING ABOUT THEY DO NOT WANT THESE ORGANIZATIONS TO ACT AS LIAISON, SPOKESMAN OR NEGOTIATORS FOR THE SLA UNLESS CLEARLY INSTRUCTED.

THEY CONTINUE WITH ATTITUDES THAT COMMUNITY GROUPS CAN SHOW TO THE PEOPLE AND CONTINUE TO DISCUSS THESE ORGANIZATIONS' ACTIVITIES IN RELATION TO THE SLA. THEY POINT OUT THAT NO ONE SHOULD SPEAK FOR THE SLA OR ASSUME THAT THEY CAN COMPROMISE ANY REQUEST MADE BY THE SLA.

THEY CONTINUE WITH RHETORIC ABOUT THE STARVING PEOPLE, AND THAT THE HEARST CORPORATION SEEMS TO BE MORE CONCERNED WITH THE IDENTITIES OF THE SLA ELEMENTS RATHER THAN ADMITTING THEIR CRIMES. THEY STATE THE HEARST EMPIRE SHOULD DEMONSTRATE A CHANGE OF INTEREST AND REGRET FOR ITS CRIMES AND SHOULD

DEMONSTRATE THAT THEY ARE NOT ONLY CONCERNED WITH FREEING PATRICIA, BUT ALSO FREEING AND MAKING A BETTER LIFE FOR ALL THE PEOPLE.

THE MALE VOICES CLOSES WITH A FAMILIAR QUOTE, "DEATH TO THE FASCIST INSECT THAT PREYS UPON THE LIFE OF THE PEOPLE".

THEN, A FEMALE VOICE STATES, "TODAY IS THE 19TH AND YESTERDAY THE SHAH OF IRAN HAD TWO PEOPLE EXECUTED AT DAWN."

TO : DIRECTOR FBI (7-15200)
(ATTN: FBI LAB)

FROM : SAC SAN FRANCISCO (7-855)(P)

SUBJECT: HEARNAP

DATE: 2/16/74

E-1947-077

Enclosed for the FBI Lab is a seven-inch reel tape recording that was received from WILLIAM RANDOLPH HEARST, III, 2015 Golden Gate Avenue, San Francisco, California, on 2/15/74.

HEARST in turn had received the tape from an unidentified employee of Radio Station KPFA, Berkeley, California, the same day.

The tape recording contains the voice of a female who identifies herself as NANCY LING PERRY. The tape also contains what appears to be one or possibly two unidentified black male voices. The recording runs approximately 25 minutes.

The Bureau is requested to make voice prints of the two male voices and compare them with the male voices appearing on the tape previously furnished the Bureau in this matter which also contained the voice of PATRICIA CAMPBELL HEARST.

Any information that the Lab could furnish concerning the comparison of these tapes would be appreciated. In both tapes, there are background noises and of course, if possible, we would appreciate knowing that if any opinion can be expressed as to whether the tapes appear to be made at the same sight or with the same machine. This tape may be retained at the Bureau.

Her fiancé, STEVEN ANDREW WEED, was approached by a Negro male holding a rifle and a white female. WEED was tied up and beaten about the head and face. A neighbor, STEVEN SUENAGA, was also tied up and beaten. The victim was placed in the trunk of a 1963 white Chevrolet convertible owned by PETER BENENSON who had been approached by two white females at his home and at gun point had his car taken. He was tied up, gagged, and blindfolded, and placed on the rear of the car floor seat. During the getaway from the Benvenue address, a white 1963 or 1964 Chevrolet station wagon was observed and a number of shots were fired, possibly from the station wagon. BENENSON's car was abandoned on Tanglewood Drive, Berkeley, with BENENSON in it. The Symbionese Liberation Army (SLA) sent a letter, designated as Communique #3, to KPFA Radio Station, Berkeley, California, claiming they were holding the victim. In addition to the letter, a Mobil credit card in the name of RANDOLPH HEARST was received. ARMED AND DANGEROUS.

Predication

This investigation was predicated upon a telephone call from [REDACTED] of the Berkeley, California, Police Department to Special Agent [REDACTED] at the Berkeley Resident Agency on February 4, 1974, at 9:15 p.m. advising that PATRICIA HEARST had been kidnaped from her residence at 2603 Benvenue, Berkeley, California.

Interview with STEVEN-ANDREW WEED

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 2/6/74

STEVEN ANDREW WEED, 2603 Benvenue, Apartment 4, telephone number 848-7827, Berkeley, California, was interviewed at approximately 12:10 p.m. in Room 237, Cowell Hospital, University of California at Berkeley. WEED was advised of the identities of the interviewing Agents as Special Agents of the FBI, as well as the nature of the interview.

Thereafter and promptly following this, WEED was interviewed and provided the following voluntary information:

WEED stated that he and his fiancée, PATRICIA HEARST, were in his apartment at approximately 9:00 p.m. February 4, 1974, when someone knocked on the door of his apartment. WEED did not open the door and could not recall whether or not HEARST opened it. As the door opened, he heard a white female state something to the effect, "I need some help", and she indicated a sense of urgency, although WEED is uncertain whether it was just car trouble, or if in fact it had been a car accident. WEED then observed a young white female inside of his apartment, and this unidentified female was followed immediately by an unidentified Negro male who was carrying what appeared to be a rifle. WEED likened this rifle to a deer rifle, which he stated he has observed on several occasions. WEED observed only the wooden stock and did not see any attachments to this rifle such as a sling or a scope. WEED stated that this rifle appeared to be somewhat shorter than a deer rifle. He could not describe the rifle any further. Immediately behind this first unidentified black male was a second person whom he did not see but only caught a peripheral glance at before he was knocked to the floor by the first black male.

After being knocked to the floor by the first unidentified Negro male, WEED was instructed to keep his face down and not move. At this time this first unidentified Negro male demanded to know, "Where's the safe and where's the money?" While this unidentified Negro male

was asking about the safe and the money he kicked WEED repeatedly in the face. WEED was kicked by this person who was wearing boots that appeared to be construction-type boots of a medium brown color. WEED advised that he believes he would have remembered distinctly had these boots been of the mod-fashion type or had they been Army boots. WEED recalled that the boots were the lace-up type with a high top, but worn under the trousers and could have possibly been of the hiking variety.

As WEED was forced to the floor and while he was being kicked, PATRICIA HEARST was taken by the unidentified white female and the other unidentified individual into the kitchen. WEED was able to observe HEARST only partially as she was lying under the sink in the kitchen. He was also able to partially observe these two individuals as they were apparently binding PATRICIA HEARST. WEED stated that he is unsure of exactly what was taking place in the kitchen due to his blurred vision from being kicked in the face; however, he is sure that there were two people in the kitchen at this time. WEED did not hear any names mentioned whatsoever either regarding the unidentified individuals in his apartment or concerning HEARST or himself. WEED did not hear any specific commands, demands or utterances coming from the kitchen but was able to hear HEARST whimpering or crying.

The first unidentified Negro male began tying WEED's hands behind his back and made a statement to WEED to the effect that he (WEED) should be quiet or he would be knocked out. Almost immediately after his hands were tied, he was struck on the head three or four times with what he later learned to be a wine bottle. WEED stated that with each successive blow he received he felt his head being crushed, but knew it was with a blunt instrument of some kind. It was at this time that WEED noticed through his front door, which had been open, his neighbor across the hall, STEVEN, an Oriental male, being dragged into his, WEED's, apartment. WEED stated that STEVEN was thrown down between his, WEED's, leg. WEED stated that at this point he began to fear for his life, so he pretended to pass out. It was at this time that WEED was struck violently again in the back of the head by what he believed to be

3
SF 7-855
LJP/lb

the same instrument he was struck with before, and with that, he decided to attempt to escape no matter what the results might be. WEED stated he jumped to his feet, how exactly he does not recall as his hands were tied, and began running around the living room screaming and yelling like a wild man in an attempt to attract someone's attention. He then proceeded towards the back sliding glass door, which was double latched, and while doing so, managed to loosen his hands, opened the door and ran out into the back. Sometime during the period while WEED was running and screaming around the apartment, but before he left through the back sliding glass door, the three unknown individuals were observed taking HEARST out of the front door of his apartment.

WEED then ran out the back door, being extremely shaken and groggy from the beating and kicking he received, and proceeded to climb several fences as rapidly as he could as he feared that he was being followed. After climbing these fences, WEED went through several backyards and on to Parker Street. It was at this time he noticed that a Berkeley Police Department car was arriving in the area. WEED recalled that several neighbors attempted to get him to lie down; however, one of these unidentified neighbors helped him back to his apartment where he related to the Berkeley Police Officers, who were already present in his apartment, what had taken place.

WEED, in recalling certain particular moments during the assault which took place in his apartment, stated he thought he had observed two rifles. He could not recall anything further concerning weapons. He stated that the general atmosphere of the assault was one of a commando-type action, well planned, deliberate, disciplined, with no second thoughts. WEED stated that the first unidentified Negro male was from the outset one with whom you would not ask for sympathy, nor one with whom a person would attempt to reason. WEED stated that this Negro male was a confident, self-assured, possibly angry person. It was WEED's impression that this group was one not motivated by

political activities, but rather appeared to be one motivated against Caucasian people. He stated that the demeanor of the unidentified persons led him to believe this to be true. WEED reiterated that the overall attitude of the group was of absolute certainty as to their actions, decisions, planning and motives. In fact, WEED advised that it appeared that when there was a possible breakdown of their plans as indicated when the white female stated, "We'll have to get rid of them. They saw us", that this appeared in no way to hinder their operations nor did it seem to act as a deterrent in the actions and behavior of any of the individuals involved.

WEED attempted to determine who may have possibly been in charge of the group, and it was his feeling that the female was actually commanding the operation. WEED's reasons for believing this were that the female initiated the entire incident by entering the apartment first, her obvious move towards PATRICIA HEARST and taking control of HEARST, her statement, "We'll have to get rid of them. They saw us", all led WEED to believe she was in fact in charge.

WEED concluded that he believed the white female was in charge due to his recent picture in local newspapers with PATRICIA HEARST announcing their engagement which would have been most likely observed by a female reading the society pages of the San Francisco newspapers.

WEED stated that he and HEARST do not keep any type of a regular schedule and do not frequent any particular activities, restaurants or other social functions on a regular basis. WEED stated that the only regularity in his and HEARST's schedules are when they attend classes at the University of California at Berkeley. WEED attends classes all five days of the school week and his schedule is approximately as follows:

Monday - Leaves at 9:00 a.m., arriving back at the apartment at 11:00 a.m. Leaves at 2:00 to 3:00 p.m. and arrives back around 5:00 p.m. WEED and HEARST are home on Monday evenings. HEARST attends classes during the afternoon hours on Mondays and arrives home at approximately 5:00 p.m.

5
SF 7-855
LJP/lb/tlp

Tuesday - Leaves the apartment at 1:00 p.m. and arrives back home at 4:00 p.m. HEARST attends classes irregularly on Tuesdays and arrives home at approximately 5:00 p.m. WEED and HEARST are home in the evenings.

Wednesday - Same as Monday for both WEED and HEARST.

Thursday - Same as Tuesday for both WEED and HEARST.

Friday - Same as Monday and Wednesday for both WEED and HEARST.

Saturday - No regular scheduled activities or classes and will usually make plans on the spur of the moment, either with friends in Berkeley, San Francisco, or visiting HEARST's parents for dinner.

Sunday - Same as Saturday, with no specific plans, but activities dictated by spur of the moment decisions.

WEED advised that to the best of his recollection, the only activities that he and HEARST have been engaged in on a regular basis was during the Summer of 1973 when they attended auctions on Monday evenings. They attended these auctions at either Romano's on Telegraph Avenue, Oakland, California, or at Harvey Clar's (PH), on Broadway in Oakland. WEED did advise that ironically enough, his apartment was robbed on a Monday evening during the summer. WEED stated that he and HEARST have not been going to these auctions recently and, therefore, have no regular or set activities scheduled.

WEED stated that the people he and HEARST associate with are a very small group of people, not more than five or six couples. WEED stated absolutely he and HEARST had no affiliations or friends that were engaged in any militant activities. WEED stated that the following individuals would be considered his and HEARST's closest friends and associates:

FEDERAL BUREAU OF INVESTIGATION

Date February 5, 1974

~~STEVEN ANDREW WEEB~~, 2603 Benvenue, Apartment 4, home telephone 848-7827, was interviewed at approximately 12:40 a.m., in Room 237 at Cowell Hospital, University of California, Berkeley.

He advised that he and his fiancée, PATRICIA HEARST, had eaten dinner in his apartment, and at about 9:00 p.m., February 4, 1974, there was a knock on his front door, and he did not open it as he had seen someone coming to the door and not wanting to be bothered, he did not open it. The next thing he noticed was the door, which was unlocked, was opened and a white female opened the door and said, "I need some help this minute, I ran into a car out front." She was dressed rather sloppily and appeared to have on a sweat shirt and a lot of other clothes which he could not recall other than possibly light colored.

Immediately behind this girl, he next noticed a negro male barrel in behind her holding a shoulder weapon, which he thinks was like a deer rifle. He could only see wood on the stock and could not see a leather sling or the barrel but thinks it was a rifle. Immediately behind this black male was a second person which he did not see but thinks it may have been a black male also.

The first black male with the rifle forced him to the floor with his face down and said something to the effect, "Where's the safe", and also, "Where's the money". Each time the man asked him this, he would kick him in the face with his booted foot.

At the same time the black male had forced him to the floor, he noticed that the white female and the other male had taken his fiancée, PATTY, into the kitchen, and he could only hear her whimpering or crying and could not hear specific words. The black male began tying his hands behind his back and made some remark, "Be quiet or we'll have to knock you out". The black male with the rifle was very decisive and made no hesitation in any of his moves or remarks.

After he was tied with his hands behind his back with a nylon rope, the man started hitting him in the back of the head with what he later learned was a wine bottle at least three times.

At about this time, he noticed through his front door, which was still open, that the other two in the kitchen had dragged his neighbor across the hall, STEVEN, an Oriental male, into his, WEED's, apartment and were tying him up and threw him face down with his head between his, WEED's, legs.

It was at this point that he started to pretend that he was passed out from being hit over the head, and he started to roll over when he was hit the fourth time, and he thought to himself that he would not have another chance and somehow he jumped up to his feet with his hands tied behind his back and started screaming and yelling dodging around through his living room and managed to get to the back sliding glass door which was double latched. He said somehow he got his hands untied and the door open, and he then noticed that the three persons who had broken into his apartment were running out the front door with his fiancée.

He ran out the back door, still groggy from being beaten and kicked in the face, and climbed over several fences as he thought they might still be following him. A few houses away, he exited through the back yards onto Parker Street, and at that time he noticed a Berkeley police car already arriving in the area. He said that neighbors, identities not recalled, tried to get him to lie down and someone helped him back to his apartment where he told the Berkeley Police Officers who were already in his apartment what had happened.

He said he recalls the white female saying at one time something to the effect, "We'll have to get rid of them, they saw us". He said he did not see any other weapon other than the rifle carried by the black male who kicked him with his booted foot repeatedly in his face and hit him over the back of the head with the wine bottle.'

He described the white female as age: 20's, 5 feet 4 inches to 5 feet 5 inches tall, 110 - 120 pounds, sloppy clothes, possibly light colored, possibly wearing a sweat shirt and who was hunched over like she had bad posture.

The black male he described as Negro, male, age: 20's, 5 feet 10 inches to 6 feet tall, 155 - 165 pounds, black hair, medium natural, approximately 1 inch to 1-1/2 inches in length, athletic build, good looking, fairly dark complexion, no facial hair observed, dark clothing, wearing high laced type boots, dark brown in color, carrying the rifle.

The third person he could not describe other than he has the feeling it was the second Negro male as they rushed in so fast he did not get a look at the person but feels it was a Negro male.

He advised that he is pictured together with his fiancée, PATRICIA HEARST, in the local newspaper in December, 1973, when their engagement was announced and his name is listed in the local telephone directory, but he has not seen either of the three persons who broke into his apartment before to his knowledge.

Date 2/11/74

STEVEN ANDREW WEED was telephonically contacted by SA [REDACTED] at the HEARST residence in Hillsborough to ascertain if he had knowledge as to whether PATRICIA HEARST's wallet had been taken from her apartment by the abductors on February 4, 1974.

WEED advised that upon his release from the University of California Hospital on February 9, 1974, he was driven by FBI Agents to his apartment at 2603 Benvenue, Apartment 4, where he located PATRICIA's brown leather purse. He stated he immediately searched this purse and determined that a small tan wallet and a small cloth multicolored change bag with a drawstring had been removed from her purse.

WEED advised this wallet actually belonged to him but was being utilized by PATRICIA. He described it as being yellow-tan in color and square in shape, approximately 4" X 4". He made a telephone call to his mother in Santa Rosa, California, this same date and ascertained from her that she had purchased it for him from a mail order house at Atlantic City, New Jersey, which she recalled as Spencer Gifts. WEED advised that his initials, "SAW", were embossed in $\frac{1}{2}$ " gold letters in one of the outside corners of this wallet.

WEED stated he recalls the following items to be contained in the wallet:

1. AAA Identification Card in the name of RANDOLPH A. HEARST.
2. University of California, Berkeley, orange or red registration card in the name of PATRICIA HEARST.
3. California driver's license in the name of PATRICIA HEARST.

Interview with PETER BENENSON

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 2/6/74

PETER BENENSON, born August 30, 1942, furnished the following information relating to events on the night of February 4, 1974:

Between 8:20 and 8:40 p.m. BENENSON drove to the front of his residence at 1304 Josephine Street, Berkeley, California. He had just come from the Co-op Store at 1515 Shattuck Avenue, where he had purchased two sacks of food. He was dressed in his jogging clothes and army jacket as he had been running earlier in the evening.

When he got out of the car he reached back in to get the bags of groceries. He took them from the car and had his car keys in one hand. He began walking towards his residence when a female came running up at him from behind. She shoved a gun near his face to one side where he could see it and said words to the effect, "Give me your car keys. We want your car, not you."

At about this time, another girl also came up. A blond male was also along side and he said words to calm the situation and to get BENENSON in the car. He had a longer barreled gun than the pistol carried by the girl sticking out from his coat and BENENSON noted holes along the side of the barrel.

One of the girls hit BENENSON a few times on top of the head with a heavy instrument, but the blows did not hurt him badly. He relinquished his car keys and got into the back seat of the car where he was bound, gagged, and blindfolded. He was hit once or twice again during this period and believes it was the girl who first accosted him who did the binding and who took his glasses off before blindfolding him.

He described her as a caucasian female, in her 20s, 5' to 5' 2", medium build, not heavy, dark hair and having a slight Southern accent. She is referred to hereinafter as Female Number 1.

The other female was described by BENENSON as a caucasian, in her 20s, blonde hair, 5' 4", worn drawn back, with no other notable traits or features. She is referred to hereinafter as Female Number 2.

The male observed by BENENSON as the three accosted him was a caucasian, about 6' tall, in his 20s, having blonde hair, fairly short and lying flat on his head. He had no other notable traits or features.

These were the only people observed by BENENSON. He later heard a voice which he believes to be that of a Negro male, but did not observe any Negroes in the group. He noted that the darkness and brevity of exposure prevented his getting a good look at any of the participants.

When the group got BENENSON in the car, they made him lie upon the back floor with his head down. Two persons believed by BENENSON to be a man and woman (the woman being Female Number 1) were with him in the back. There were two or three people in the front seat.

They drove off in the car and proceeded for what BENENSON believes was only a few blocks. There they stopped and loaded something into the car. One (if not the only) item placed in the car was a long box, probably metal, which was about the length of a guitar case. It was originally placed into the boot in which the convertible top is lowered, but it was later placed atop BENENSON. BENENSON recalls one person in the car referring to the item as a guitar case, but he feels it was not a guitar case. BENENSON also recalled that the location of Josephine and Vine Streets (a site only a few blocks from his residence) was mentioned by someone in the car and he is of the impression that this is where they stopped and loaded something into the car.

During the next period of time which BENENSON felt was about 20 minutes, the car drove around various streets which were not recognizable to him because of his sightless situation. The person driving the car did not appear to be acquainted with the Berkeley area. This person was given

3
SF 7-855
DAG/lb

directions by Female Number 1.

BENENSON had the impression they may have changed drivers on at least one occasion. He overheard them discussing a telephone number. One asked what a certain telephone number was and another replied, "The first three digits are the same as yours. The others are" (This BENENSON could not recall exactly, but when the telephone number of STEVEN WEED, 848-7287 was read to him, BENENSON said this sounds like that sequence of numbers.

BENENSON is certain he heard both male and female voices in the car, but is not certain whether any of these belonged to a Negro. They threatened him occasionally, saying once, "If he moves, slit his throat." They also mentioned "sticking a knife in his ribs", and BENENSON heard the term "potato masher" used at least once.

Judging from the conversation of those in the car, BENENSON said he felt they were reasonably well-educated inasmuch as they did not use bad grammar. Most of their conversation was very cryptic as though they had previously arranged a code. BENENSON further recalled that at one point in the car someone said, "Get some identification from him in case he blabs too much." He said they patted him down, but did not locate his wallet (which he had on him) or take anything which would identify him to them, so far as he knows.

After what seemed to be about 20 minutes of driving, the car came to a stop and the case was removed from atop of him. The people got out of the car, but BENENSON had the feeling that one of the girls remained in the car with him. The engine was kept running. Shortly thereafter he heard a female scream, "Please! Please!" Some shots were fired. BENENSON believes he heard one burst of automatic gunfire, followed by some single shots. The car door opened and three persons jumped in on top of him in the back seat. BENENSON said he felt there were more people in the car at this time than there were before the shooting. He did not hear the car trunk open or close or

4

DAG/lb

anything being placed in the trunk. He noted that with the sound of screaming and gunfire his fear level increased considerably, and he was not totally cognizant of all that was going on around him.

The car drove off and traveled for only a short distance, not more than five minutes. There was very little conversation at this time, but those in the car seemed breathless as they were breathing very heavily.

The car stopped again and there was considerable noise outside. BENENSON said he felt aware of another car close to his, but cannot specifically note his reasons for this. He said the clamour of movement outside the car was considerable and then suddenly the noise stopped.

BENENSON said that at this time he attempted to free himself. In short order he lowered his blindfold and got the gag from his mouth. He got out of the car with his hands still tied behind his back and walked down Claremont Avenue (towards Oakland) with his hands behind his back similar to a walking posture assumed by many Europeans. Several minutes later he freed his hands. He kept the binding, the blindfold and gag. BENENSON did state that when he got out of his car on Tanglewood Street he saw a Volkswagen autobus, two-tone, but exact color unknown, parked about 20 feet behind his car. It appeared that the taillights were on.

BENENSON said that he was in a very emotionally distressed state at this time. While he had originally suspected that when the people first grabbed him they intended using his car to transport something, after hearing the shots he felt that his car had possibly been used in an assassination. He said he was fearful of going back to the car, so he spent the night at a friend's house.

BENENSON said that it was not until he contacted the Berkeley FBI Office that he became aware that someone other than himself had been kidnapped in connection with the theft of his car.

FEDERAL BUREAU OF INVESTIGATION

Date February 7, 19741

On February 6, 1974 PETER BENENSON advised that he recalled certain additional information relating to his abduction on February 4, 1974 which he desired to relate to the FBI.

He stated that when he was forced into the rear seat of his car at the front of his house that night, he gave some resistance to attempts to bind his hands. The female who was doing the binding (referred to previously as female #1) said, "I don't want any bullshit. I'm tired of bullshit people." BENENSON said she also made a statement to the effect that she was in a "tough situation".

He recalled that just as they got into the car female #1 was in the rear seat and said (apparently to a male), "I want you in the back with me..." (adding a name which BENENSON cannot recall). BENENSON said he has concentrated on trying to recall this name but is totally uncertain as to even what it might be at this time.

BENENSON also remembered that just after the shooting when everyone piled in his car a girl said, "Don't wait for them. They'll be coming."

He noted that he has sincerely attempted to recall events of that night and stated that this is all that comes to his mind at the present time.

Finally, BENENSON, when asked whether the male among the three who had accosted him could have been an albino, replied that this was certainly the case. He indicated that the blonde hair he observed could well have been that of an albino as it was so close to the head.

Date of transcription February 15, 1974

PETER BENENSON, 1304 Josephine Street, Berkeley, California, was reinterviewed and furnished the following information, recounting the events on the night of February 4, 1974. It is noted that, during most of the interview, BENENSON was driven to various pertinent locations in Berkeley, including the area where he went jogging, his residence at 1304 Josephine Street, 2603 Benvenue Street, and the vicinity of Tanglewood and Garber Streets.

BENENSON left his employment at the Lawrence Berkeley Laboratory (LBL), Berkeley, at approximately 6:20 p.m. He proceeded in his car, a 1963, two-door, convertible, Chevrolet, to the Strawberry Canyon area of Berkeley for the purpose of jogging for exercise. BENENSON recalled that he probably changed into his jogging clothes upon arriving at the Strawberry Canyon location, but stated it was possible he changed in a bathroom at the LBL. BENENSON noted that he did some jogging for periods averaging 45 minutes a day, approximately five days a week. His normal routine was to exercise in this manner just before dark.

BENENSON described the route he took to Strawberry Canyon upon leaving the LBL on the evening of February 4, 1974. He proceeded in his car west on Hearst Street, south on La Loma Street, east on Rimway to Panoramic Way. He then continued on Panoramic Way which is a very winding road and also is known in a section as Dwight Way winding up to the intersection of Panoramic Way and Panoramic Place. BENENSON recalled parking his car on Panoramic Place just north of the above intersection. He estimated that the trip from the LBL to that location took approximately 10 to 15 minutes.

Prior to any jogging, BENENSON locked his clothing and valuables in the trunk of his car. He also locked all his keys in the trunk with the exception of one key that opened all car locks which he placed in his glasses case and carried with him while jogging. The single key in his glasses case was wrapped in a piece of paper. BENENSON stated he normally carried that key in his glasses case as a spare.

BENENSON estimated that, on the evening in question, he jogged in the woods at the above location for approximately 45 minutes. While jogging, he was dressed only in a tee shirt, shorts, sneakers and socks. When he finished working out he obtained a sweat shirt, sweat pants and an Army-type jacket from the trunk of his car and put these clothes on prior to leaving the area. He recalled carrying his wallet in his lower left jacket pocket. Except for the above clothing, his keys and probably his wallet, he left his other clothing and valuables in a plastic bag in the trunk of the car. He was not quite certain whether he removed his wallet from the trunk upon leaving the above location or whether he removed it when he vacuumed his car out several minutes thereafter.

BENENSON recalled that it was dark enough to put his car headlights on when he left the location where he had worked out. He traveled the same route back to Hearst Street which he had taken up the hill to the jogging area. Upon reaching Hearst Street he proceeded west to Oxford Street, and then south to the intersection of Kittridge and Oxford Streets to a Texaco car wash facility on the southwest corner. He drove to the vacuuming area of the car wash not stopping at the gas pumps or the car wash area. He estimated that the trip from the jogging site took approximately ten minutes. Once at the car wash facility BENENSON vacuumed the inside passenger compartment of his car as well as the trunk compartment. BENENSON removed various items from the trunk and replaced them neatly in the trunk upon completion of the vacuuming, which he estimated took about 20 minutes. BENENSON recalled with

some certainty that there were no other people around him during the time he was vacuuming his car, as he had to remove his personal belongings from the trunk and had to place them on the ground near the car and would have been apprehensive had there been anyone around in the close vicinity.

Upon leaving the car wash facility, BENENSON drove south through the lot to Bancroft Street, then west on Bancroft to Shattuck Avenue and north on Shattuck Avenue to Cedar Street. He turned left (west) on Cedar Street and then made a right turn into the parking lot of Consumer's Co-Operative Store. He parked his car in the middle lane of three parking lanes, about midway down the aisle on the right (east) side. Still dressed in his sweat shirt, sweat pants, sneakers and Army-type jacket, he entered the store through the door on the right hand (north) side of the store as one faces the store. He estimated that he arrived at the store at approximately 7:55 p.m. on the evening in question, and spent 25 to 40 minutes inside shopping for groceries. He spent approximately \$11 for the groceries which he bought, and the groceries were placed into double strength super-market-type bags. Among the groceries he purchased were a large jar of cranberry juice, a large can of V-8 juice, a half gallon of milk, yogurt, one pint of half and half, one dozen eggs, possibly several cans of tuna fish, and possibly some raisin cookies or fig newtons. He exited the store at approximately 8:30 p.m., to the best of his recollection, through the same door which he had entered. He placed the two grocery bags, one of which was considerably heavier than the other, on the rear seat of his car.

Upon exiting the parking lot through the western exit, he turned north on Henry Street and then west on Vine Street. He could not recall the exact route which he took home, but stated that he either proceeded west on Vine Street to his residence, or turned north on Grove Street, then west on Rose Street and then north on Josephine to his residence at 1304 Josephine Street. He parked against traffic on the west side of Josephine Street approximately ten feet from the walkway to his residence and just in front of another car which was parked in front of the sidewalk to his residence.

The car, a Pontiac, California license 617 FJK, which was parked in front of the walkway at the time of the interview, had been parked there since prior to February 4, 1974. The car was recognized by BENENSON as belonging to a girl who lived in the same building and who is currently out of town.

BENENSON switched off the ignition, turned off his headlights and got out of the car. He pushed the driver's side of the front seat forward and lifted both bags of groceries out onto the ground, one bag at a time. When he had first exited the car, he had looked south along the sidewalk on the west side of Josephine Street and had noticed a group of approximately four or five people. He estimated that, at the time he exited the car, these people were approximately 100 feet from him near the second telephone pole from where his car was parked. He did not think it unusual to see an individual or group of that size in the neighborhood and did not pay any attention to them.

After BENENSON had picked up his groceries, a bag in each arm, and had taken only one or two steps toward his walkway, he became aware of someone moving immediately behind him from a southerly direction. He stated he heard no footsteps but sensed the presence of one or more people. BENENSON at that time had the heavier bag of groceries and probably his car keys in his right hand. His wallet was still located in one of his lower jacket pockets, probably the left lower pocket. He was wearing his glasses and had his glasses case in his pocket with the car keys still in the case.

BENENSON whirled around as soon as he sensed someone behind him and encountered a white female on the sidewalk, as BENENSON faced in a southeasterly direction. The female poked a gun in his face and moved around towards his back, keeping the gun near his face. He did not recall in which hand the female carried the gun. He described the gun as a long barreled hand gun, black in color, possibly a Luger. The female stated something to the effect, "The keys", or possibly "Give me the keys". She also said something to the effect of, "We want your car, not you". BENENSON also

recalled being instructed to, "Be cool". He believed that he received some reassurance from the female who first approached him or others from time to time that he would not be harmed.

BENENSON, bewildered and unbelieving, hesitated and started to say something. By this time several other people from the group he had observed on the sidewalk were also upon him. One of these people was a second white female. BENENSON also recalled a blonde male appearing at his side. The second female carried a hand gun similar to that carried by the female who first accosted BENENSON. The blonde male carried what appeared to be a long pipe with holes in it, possibly a weapon, which object was sticking out from the coat of the blonde male. One individual started forcing BENENSON's right arm behind his back in a hammer lock. BENENSON dropped the bag of groceries he carried in that hand. The groceries dropped to the ground without making any appreciable loud noise or any noise of glass breaking, although he did receive the impression the bag broke.

The individual who had BENENSON in the hammer lock and the others attempted to force BENENSON into the back seat of the car, which attempts BENENSON at first resisted. As a result of his resistance, one of the females instructed the other female to hit him over the head. BENENSON could not recall the exact words used. The second female did in fact hit him on the top of the head approximately three times with a blunt object of some kind. The blows did not hurt him badly. BENENSON believed that the female who first accosted him and pointed the gun at him was the one who gave the instructions to the second female to hit him over the head. At approximately this time the car keys were wrestled away from BENENSON. The latter female, after striking those blows, went over to the car door which she eventually was able to open. BENENSON noted that the door was not locked on the driver's side. However, the female who went to open the door apparently thought it was locked. She fumbled with the door for a few seconds and possibly locked the door and then had to unlock it.

Once the second female did open the car door, she pushed the front seat forward and the above individuals attempted to force BENENSON into the back seat. He was

still resisting slightly. BENENSON vaguely recalled one or more of the people in the group stating to him words to the effect that they were in a desperate situation and needed his car. Upon reflecting back upon the incident, BENENSON had the impression that something went wrong with a car the above individuals had originally intended to use, and that they kidnapped BENENSON on the spur of the moment because they needed a car with a large trunk quickly.

After BENENSON had been forced into the back seat of the car, the second female who had opened the car door climbed into the front seat of the car while the female who had first accosted him entered the rear seat of the car behind BENENSON. The latter female started tying BENENSON's hands behind him. As soon as she started tying his hands someone in the front seat, probably the girl who had just opened the door and climbed into the front seat, began tying a blindfold around his eyes and a gag around his mouth. BENENSON did not recall whether the blindfold or gag was applied first by the person in the front seat. BENENSON did not get a good look at the person in the front seat as he was looking down most of the time while the person was attempting to gag and blindfold him. BENENSON resisted the efforts to bind, blindfold and gag him. The person in the front seat was told to hit BENENSON and that individual did hit him over the head approximately two times, apparently with the same blunt object that was used previously. Eventually, BENENSON's wrists were tied and the blindfold and gag were also tied into place. BENENSON stated that his wrists were tied securely, although he does not recall them hurting a great deal. He recalled someone tell him, probably the female who tied his hands, something to the effect, "Don't worry, you'll be able to get out of this in about ten minutes". BENENSON was aware that another person, possibly a male, entered the front seat on the driver's side and another individual, he believed to be a male, approached the car on the passenger side. The female in the back seat instructed the latter individual, "I want you in the back with me". This individual did enter the rear seat from the passenger side.

BENENSON did not recall exactly what happened to the second bag of groceries which he was carrying at the time he was accosted, but believed it probable that he had taken that bag of groceries into the back seat of the car with him. BENENSON did not recall hearing anyone rifle through the bag of groceries at any time after he had been forced into the car.

BENENSON did not further observe any of the individuals who had accosted him and forced him into the car. He described the white female who had first accosted him and stuck a gun in his face as follows:

Age:	Mid-twenties
Height:	5'2"
Build:	Medium
Hair:	Dark and wavy, at least shoulder length
Distinguishing Characteristics:	Round face; slight southern accent, possibly from the Washington, D.C. or northern Virginia area

BENENSON described the second female who had accosted him on the sidewalk, and whom BENENSON believes had struck him over the head on several occasions, as follows:

Race:	White
Age:	Twenties
Height:	5'4"
Hair:	Blonde, pulled back behind head
Distinguishing Characteristics:	Long face
Dress:	Possibly wore slacks

BENENSON described the above white male who had carried the long barreled weapon with the holes in the barrel as follows:

Age:	Twenties
Height:	6'0"
Build:	Thin
Hair:	Blonde, cut close to head, but not in a crew cut
Dress:	Wore a light colored raincoat or overcoat

To the best of BENENSON's recollection, he had been accosted and forced into the car by at least four, possibly five, people acting together. He had no recollection of seeing any Negroes in the group but pointed out that the male who had entered the front seat of the car and the male who, as instructed, entered the rear seat of the car with him could have been either Negro or White. Although he is not certain there could have been a third person in the front seat. He also believes there could have been another car in the vicinity and the fifth person could have gotten into the second car.

After BENENSON was bound and gagged he was initially forced down on the floor immediately in front of the rear seat. However, there was not really enough room for his body to fit in that space so he ultimately pulled his head up on the rear seat on the passenger side. As he lay face down on the seat he was aware of the odor of grease and metal, and believes he was lying next to or possibly on top of a long gun barrel such as that for a rifle. He remembers at one point feeling this metal against his skin.

As they drove away from the above location, the female in the rear seat with BENENSON stated something to the effect, "I don't want no bullshit. I'm tired of bullshit people". He further recalled hearing the male driver state, after driving only approximately 100 yards, something to the effect of, "There's something funny about this car". BENENSON noted during the interview that the car was not tuned up and did have some carburetor problems.

As they drove along BENENSON was aware that the car made several right hand turns. He believes the driver made some wrong turns as he heard the female in the rear seat with him state something to the effect, "We haven't got any time to be fooling around now", to which statement the male driver

replied, "I know it". BENENSON further recalled hearing some mention at this time of Josephine and Vine, and from the relatively short time they travelled, believed that the first stop made by the car could have been at the intersection of Josephine and Vine Streets.

When the car did make the first stop BENENSON heard some sounds of scraping metal on the ground and believed that some metal objects were loaded into the passenger compartment of the car and possibly into the trunk compartment. BENENSON did not specifically hear anything being loaded into the trunk but did recall hearing the statement at this approximate point in time to the effect, "I think you can take the key out when the car is running". One of the items placed in the car, according to his impression, was a long box, possibly metal, which was about the length of a guitar case. He believed this was originally placed into another section of the car then lowered and placed atop BENENSON.

Before the car began moving again BENENSON heard a female voice, which voice BENENSON believed to have been that of a female who had ridden in the front seat up to that time, express some doubt as to which car she was supposed to ride in thereafter. BENENSON did not recall the words spoken or how the problem was resolved, but believed that the girl expressing the doubt did get back in the front seat of the car in which he was riding. BENENSON also recalled at this approximate point in time some debate about whether he, BENENSON, should be placed in the trunk of the car. It was decided to leave him tied up in the back seat where he was and to "leave the trunk space empty". BENENSON noted that most of the decisions seemed to be made by the female who rode in the rear seat with him.

As the car proceeded, BENENSON recalled hearing some conversation as they were driving along regarding a telephone number. One person asked about a certain telephone number. A second person replied, "The first three digits are the same as yours. The others are ----". (BENENSON could not recall the numbers but recalled that he asked during his previous interview that Agents look up STEVEN WEED's telephone number, and that the numbers and sequence of the four digits related to him by the Agents from WEED's telephone number sounded identical to the numbers and sequence he had heard in the car.) BENENSON stated

10
SF 7-855
RLW:sfc

it was possible that the car stopped for the purpose of making a call but he was not certain. He stated it was also possible that drivers were changed on at least one occasion, but BENENSON could not be certain on this point either.

BENENSON was threatened on several occasions. At one point, subsequent to the first stop where equipment was loaded into the car as described above, someone in the car said something about, "Sticking a knife in his ribs". BENENSON believed one of the voices he heard in the car during his abduction was that of a Negro male. The phrase "Be cool" was uttered on several occasions and possibly by the man who sounded like a Negro male. BENENSON noted that the people in the car talked in short, cryptic phrases, apparently being careful not to say anything which might help identify them at a later date. At one point someone suggested getting some identification from him in case he "blabs too much". BENENSON was patted down previously but the wallet in his jacket pocket was not found. BENENSON noted that the persons searching him did not conduct a very thorough search and possibly may have been distracted by some other activities.

The drive following the first stop, as described above, lasted approximately 20 minutes". Just before the car stopped again BENENSON heard someone in the car mention a "mustard colored car in front of the house". Another voice stated, "Don't worry about it, it's been there all day". BENENSON believed that it was at approximately the time of this latter stop that he heard mention of the "potato masher" or possibly "my potato masher". At the time of the latter stop he heard a voice instruct, "If he moves slit his throat". BENENSON noted that he did not feel the pressure of any gun or knife against him at any time during the course of his blindfolded trip.

During the course of the interview on the below date BENENSON was shown the residence and driveway at 2603 Benvenue Street. It was pointed out to BENENSON by Agents that the driveway in front of the house was fairly steep. He acknowledged this fact but stated he could not recall specifically whether or not the car backed up or parked on a hill after the latter stop. He did have the feeling that one person was left in the car with him while the others left the car at the time of that stop. He believed the person remaining with him in the car

sat in the front passenger seat. He does not know whether that person was a male or female, and does not know whether or not the car doors were left open.

Within a couple of minutes after the people had left the car at the latter stop location, BENENSON heard one or two bursts of rapid gunfire, possibly machine gunfire. After a pause of five or ten seconds, he heard two or three additional single shots. All shots sounded as if they came from the same approximate location. A short time later, possibly just a matter of seconds, a number of people hurriedly entered the car. BENENSON believed that three separate people flung themselves on top of him in the rear seat. At this approximate time someone sat on his head for awhile making it very difficult for BENENSON to breathe. He did not recall hearing the trunk open or close, and did not hear any noise in the trunk. He had the feeling that there were more people in the passenger compartment in the car than there had been prior to the stop. The people that entered the car were all breathing heavily. BENENSON noted that his "fear level" was extremely high at this point. He believed that he had possibly just heard gunfire from an "assassination".

The car drove away at a fairly normal speed. BENENSON has a vague recollection of hearing several shots in addition to those described above. However, he stated he was unable to describe the number of shots or the time intervals between the shots. He stated he was unable to recall hearing any ricocheting bullets. He could not recall any specific turns made by the car. As they drove away he could hear one voice say, "Don't wait, they're following", or something to that effect. After a ride of approximately five minutes the car again came to a stop. BENENSON was aware of a great deal of noise outside the car but cannot describe exactly what he heard outside the car. Someone told BENENSON, "Make any noise and your dead", or something to that effect. BENENSON heard the people exit the car and close the doors. He recalled someone telling him prior to their departure, "Be cool" and "Thanks brother". BENENSON laid there for five or ten minutes and heard no noise except for one or two cars passing by. Believing his captors had departed, he spent another five or ten minutes working his gag and blindfold from his mouth and eyes by use of the arm rest in the rear seat. He succeeded in working both the blindfold and the gag down around his neck. He realized it would take awhile for him to untie his hands and untie his wrists, as

they felt as if they were tied quite securely, even after he tried to loosen them initially. His hands were still crossed behind him, palms facing outward. Seeing no activity in the area except for the lights of the several cars that passed, he shoved the front passenger side seat forward, turned around and opened the unlocked passenger side door. He stepped out of the car on the curb side of the street, but could not recall which side of the street the car was parked on or in which direction the car was facing. When he emerged from the car he noticed a Volkswagen two-door bus parked approximately 20 feet from his car. He could not tell whether the taillights were on or whether they just appeared to be on from reflected light. He watched the bus for a short time and did not see any moving silhouettes of any kind in the headlights of passing cars. He walked down the street away from his car and the Volkswagen bus and almost immediately came upon street signs which indicated he was then at the corner of Garber and Tanglewood Streets.

BENENSON, realizing exactly where he was, proceeded to the next corner which was Tanglewood Street and Claremont Avenue. He proceeded west on Claremont Avenue down the hill. He stopped briefly outside a diner called "The Station" which was located at the intersection of Claremont Avenue and Russell Street. He pointed out a dumpster type trash receptacle where he attempted to find a sharp edge with which to cut his bonds. He was unsuccessful in this endeavor and continued walking west down Claremont Avenue. He walked with his hands still tied behind his back similar to a walking posture assumed by many Europeans. While proceeding down Claremont Avenue, approximately half way between College and Ashby Avenues, he was able to work his hands loose from the rope. After freeing his hands, he was able to untie one of the cloths around his neck which cloth had served either as the gag or the blindfold. He placed the rope and the cloth that he removed in his jacket pocket, possibly his lower right pocket. He pushed the cloth which he was unable to untie down low on his neck and closed his jacket high around his neck to hide the cloth.

Being confused and afraid he sat outside the Safeway Store near the intersection of College and Claremont Avenues for several minutes to decide what to do. He observed a taxi cab stand across the street on Claremont Avenue. He entered a cab at that location driven by a white male cab driver, and requested the driver to take him to his sister's residence

[REDACTED], Oakland. He does not recall if he gave the cab driver the specific request or directed the man to the address. He recalled that the trip cost him approximately \$1.60, which fare he paid for with the money from his wallet which he still carried.

BENENSON recalled that, prior to taking the cab, he telephoned his sister's residence to make sure that she was home and that it was all right for him to stop over there. The phone was answered by a female friend of his sister, whose name he cannot now recall. He talked briefly to his sister, [REDACTED] and told her he would be right over. He attempted to sound calm and "flippant" during his call to his sister. Upon arriving at the house, he found his sister reading. Her roommate, [REDACTED] who is a friend of his and a girl whom he has dated, was in bed already. BENENSON went into the bathroom and cut the remaining cloth from his neck with scissors he found in the medicine cabinet. Except for a swollen upper lip he discovered no noticeable marks or bruises on his body. He thereafter conversed in casual conversation with his sister for a short time then went to sleep on the living room couch where he spent the night. He made no mention to his sister of his ordeal that night.

The next morning he received notification from [REDACTED] that his landlady, a Mrs. [REDACTED] (phonetic), had called for [REDACTED] but was told by [REDACTED] that [REDACTED] was in the shower. When [REDACTED] saw him there she told him about receiving the call for [REDACTED]. BENENSON telephoned his landlady shortly thereafter and found out that the police had been looking for him at his residence on the previous night. He got dressed in some pants, a shirt, and a sweater which he borrowed from [REDACTED]. He also put on his own tennis shoes which shoes he had worn upon arriving at his sister's residence on the previous night. He wore no underwear. After eating breakfast, he set out for downtown Berkeley carrying his jogging clothes and Army-type jacket in a plastic bag which he borrowed from his sister.

BENENSON telephoned the Berkeley Police Department from a phone booth at the Y.M.C.A. at Allston Way and Milvia Street. When he informed the police department who he was he was told that the officer looking for him was out of the police department but that they would have the officer call BENENSON at the number given by BENENSON. Thereafter, he received a call from this officer who in turn turned the phone over to a person identifying himself as [REDACTED] with the Federal Bureau of Investigation

(FBI). Then [REDACTED] explained they were extremely interested in talking to BENENSON concerning this matter and BENENSON indicated he would come to the FBI office in Berkeley. However, he was still somewhat hesitant and delayed going directly to the FBI office then walked into Penny's store located at Allston Way and Shattuck Avenue. While in the store he was approached by several individuals who identified themselves as FBI Agents and he accompanied them to the FBI office in Berkeley. In that office he was introduced to Agent [REDACTED]. He turned over to Agent [REDACTED] the rope, the blindfold and the gag which he obtained from his Army-type jacket which he was carrying in the plastic bag.

When asked how he had the presence of mind to retain the above items he stated he truthfully did not know. He did note that he was well away from the area where he had been abandoned in his own car when he finally succeeded in removing his bonds, gag and blindfold.

BENENSON was asked why, in his opinion, he was chosen as the victim of a kidnaping and car theft, which car was used to transport kidnaped victim PATRICIA HEARST. BENENSON replied that in his opinion he was simply chosen on the spur of the moment by some people who desperately needed a car with a large trunk, and needed it in a hurry.

BENENSON was asked why he believed, as a primary witness, that he was not killed by his abductors. He replied that his captors took pains not to expose themselves to him visually, nor to talk in any way in front of him which would tend to identify them.

BENENSON advised he was extremely upset by the proceedings he had undergone and upon his escape from the car after it was parked on Tanglewood Street, he had considered advising the police department. However, he felt he was a victim in a matter in which he had no proof there was anyone else involved. He acknowledged he had heard shots fired but did not know that they were anything but warning shots and if someone had been shot he felt it was possibly an assassination type involvement between rival groups. Therefore, he resolved in his own mind that he would immediately report this matter to the police but would wait to hear if anything additional had happened in this matter. He was not aware of the kidnaping of

SUENAGA advised that during the evening of February 4, 1974, at approximately 9:30 p.m., he was leaving his Benvenue apartment to visit a girl friend who lives nearby, and that as he left the front door of his apartment, he was stopped by a Negro male who was holding a rifle and who was standing near the front of apartment four of his apartment complex. He recalled that the Negro was standing in the shadows, and that it was very dark in the area, and that he did not observe the Negro, and that he did not observe the person holding the rifle so as to provide a physical description. The Negro he said directed that he, SUENAGA, turn around, enter apartment four, and lie face down on the floor of the entrance way to the apartment. He said he did as directed and layed down next to STEVEN WEED who was already on the floor of the entrance way. SUENAGA stated he never saw any of the people in the apartment and could not identify any of those persons. He stated that from their voices, however, there must have been, in addition to PAT HEARST and STEVEN WEED, two Negro males and one female, possibly Caucasian. He recalled that he heard voices coming from the kitchen of the apartment, and that one of the Negroes told the female to tie him (SUENAGA) up. The female then told SUENAGA to put his hands behind his back, and the female tied his hands and feet with rope. He stated that he continued to lie face down on the floor, and during the period, did not hear any names mentioned nor did the group make mention to any of their intentions upon leaving the apartment.

that there was no safe and that WEED plead to those present to leave them alone. SUENAGA said he also heard the girl, PATRICIA HEARST, plead that they not hurt them.

About that time, SUENAGA recalled that one of the Negroes repeatedly beat WEED on the head with the stock of a weapon, and that he too was hit several times by the same Negro. He recalled that he saw blood on the floor from WEED's head and he heard considerable commotion in the apartment at the same time. SUENAGA stated that the group then left with PATRICIA HEARST, and that at least three rounds were fired from a weapon as they left the apartment.

After the group left the area, SUENAGA stated that [REDACTED] entered the apartment and assisted in freeing both he and STEVEN WEED, and that [REDACTED] immediately notified the Berkeley, California Police Department.

SUENAGA stated he recalled, prior to the incident, being in a front room of his apartment and having observed a light-colored Chevrolet Impala, year unknown, backing into the parking area of the apartments. He stated that the vehicle was similar to a vehicle owned by a friend, different color, and that he believes it to be the one used by the group who took HEARST from the apartment complex.

Mr. [REDACTED] Berkeley, (telephone [REDACTED]), was contacted at that address. He furnished the following information:

At approximately 9:30 p.m., on the previous evening, February 4, 1974, he heard what he believed to be a burst of gunfire at the rear of his residence. Approximately five to ten seconds later, he heard a second burst of gunfire coming from approximately the same location. At that point, his wife's two children, [REDACTED], appeared at the top of the stairs in the residence and stated they had heard gunshots and screams. Mr. [REDACTED] attempting to keep everybody calm, told them it was not gunfire but possibly fire-crackers. Approximately ten or fifteen seconds after the second burst of gunfire, Mr. [REDACTED] heard a third short burst. He believed approximately four shots to have been fired in each of the bursts of gunfire.

After the third burst of gunfire, Mr. [REDACTED] heard a car drive east on Parker Street, followed several seconds later by a second car. He opened the front door and walked down his steps. He glanced up the street in an easterly direction and observed a small station wagon, possibly a Volkswagen Squareback, probably dark colored, on Parker Street near the intersection of Parker and College Streets.

Mr. [REDACTED] then proceeded west on Parker Street to the corner of Parker and Benvenue Streets. As he arrived at that intersection, a Berkeley Police car also drove up. The police officer spoke to several people in the area and then proceeded east at a fast rate of speed on Parker Street. Several minutes later, as Mr. [REDACTED] stood on the corner, an individual came up behind him. Mr. [REDACTED] immediately recognized the individual as STEVE WEED. WEED was bleeding from his face and appeared to have been beaten-up. WEED started asking [REDACTED] about "PATTY", whom [REDACTED] took to mean WEED's girl friend, PATRICIA HEARST. Some of the people at the corner attempted to make WEED lie down, but

he insisted on returning to his apartment. He appeared dazed and in a state of shock. [REDACTED] accompanied WEED back to the apartment where Berkeley Police Officers arrived almost immediately.

[REDACTED] described WEED and PATRICIA HEARST as quiet, stable people, who appeared to be serious students at the University of California. [REDACTED] stated that his main contact with either of the above individuals was casual conversation over the back fence, mostly concerning WEED's garden. [REDACTED] noted that WEED spent a great deal of time working in his garden, which included several marijuana plants. To the best of [REDACTED] knowledge, WEED and HEARST did not have many visitors at their residence. [REDACTED] stated that the last visitor he had observed there was a Negro male who had visited at WEED's residence approximately one year ago.

[REDACTED] noted that WEED's residence had been burglarized during the early summer of 1973. WEED had told [REDACTED] that he had an idea who might have committed the burglary, and that the burglary may have been the result of a grudge on the part of an individual who had previously lived across the street from WEED. [REDACTED] noted that the burglar had been observed jumping the rear fence at WEED's residence by [REDACTED] step-son and a babysitter, both of whom described the man as a Negro male.

[redacted] furnished the following information:

At approximately 9:00 or 9:30 p.m., on the previous night, February 4, 1974, she was in the kitchen in her residence. She heard what sounded like a "volley" of four or five gunshots near the side of her residence and near the rear apartment building at 2603 Benvenue. She also heard some scuffling sounds or sounds of some disturbance in that vicinity. [redacted] went to her diningroom and opened a window facing south toward an alleyway which ran west from the rear apartment building at 2603 Benvenue, past the front apartment building, and out to a drive-way which in turn exits onto Benvenue Street. [redacted] observed a Negro male descending the stairs from the alleyway to the drive-way. He was approximately one-half way down the stairs when Mrs. [redacted] first observed him, and she was only able to view the head and shoulders of the man. [redacted] was not able to observe anyone with the above Negro male, but did hear a female voice which seemed to come from the above stairwell saying something to the effect of "Please, please, please", or repeating "Please don't hurt me". [redacted] lost sight of the above Negro male after he descended the stairs to the drive-way; however, after he descended the stairs, [redacted] observed four or five males on the porch of the residence adjacent to and just south of the two apartment structures at 2603 Benvenue. They were all looking down into the drive-way at the bottom of the above stairs. At this point, Mrs. [redacted] heard an additional four or five shots, possibly from a machinegun, being fired. The above individual on the neighboring porch all ran back inside the house.

At this point, [REDACTED] went to her front window facing out onto Benvenue Street, where she observed a car proceeding in a northerly direction past the front of her house. She recalled the car as being an older Chevrolet or Ford, white in color, probably a four-door model, and appearing to be in a poor or beaten-up condition. The above car turned the corner onto Parker Street and proceeded east. [REDACTED] did not again observe the car. She went to her front door, which faces onto Parker Street, but hesitated before opening it. When she did open the door, the above car was out-of-sight. [REDACTED] did not recall seeing any other cars following the above car, but noted that she left her position at the front window, facing onto Benvenue Street, after observing the above-described car round the corner.
